

## Field Trip to the Upper Allen Fire and Police Stations

Dear Parents,

To help us enhance our community helpers unit of study, our class will take a field trip to the Upper Allen Fire and Police Stations on Thursday, Feb. 16<sup>th</sup>. We will be traveling in Messiah College school mini vans to and from our visit to the stations. Please put your child's car seat in the mini-van marked with his/her name on the window, if they are traveling with us. Please remember to mark their car seat as well.

We will leave the Early Learning Center at 9:00 am. Students who do not regularly attend on Thursday s may join us for our trip if accompanied and transported by an adult. You may either meet us at the Fire station where we will begin our tour, or follow us from school. We will return before the end of lab school for a normal departure time.

Please return your permission slip by Tuesday, Feb. 14<sup>th</sup>.  
If you have any questions, please ask Ms. Denise.

Sincerely,  
Denise Fogelsanger  
Master Teacher
