

Welcome Friends

We wanted to take the time to welcome Anna, Adelaide, Autumn, Lucy, Max, and Skyler to our classroom. We are all having so much fun.

We are so excited for this Fall Season! We have been experiencing so much rain, that we are happy to see sunshine this week, even if it is a little chilly.

.....
We started off the fall with our **All About Me** theme where we have been discovering and learning about ourselves and our friends through fun activities. We have ;,

- * Painted our feet and hands for prints
- * played the belly button game
- * learned rhymes as we explore our facial features and find parts of our bodies.

After we finish our all about me theme, we are going to start exploring all the fun fall activities. Fall is a wonderful time to explore our senses, with:

- *Touching crispy leaves
- *Seeing fall colors
- *Smelling fall smells, like pumpkin and spices
- *Tasting the difference between apples
- *Jumping in leaves
- *Hearing fall things, such as lawn mowers, leaf blowers, and leaves under our feet. While we do this all, we do ask that you remember seasonally appropriate clothing and shoes.

We are here to provide a home away from home environment for your child where he/she will find comfort in daily routines, activities and learn and grow and have fun.

Please feel free to speak to us and we can be reached at extension 3968, or send us an e-mail.

Family Grouping Room news:

Hi, I just wanted to take a minute to introduce myself. My name is Jennifer Wright, I am 25 years old and love working with children! I was a student at Messiah College in 2008-2009 and am now a student at HACC. I am working towards a degree in Early Childhood Education.

I am looking to move to the Harrisburg Area in the next month or so. Until then I live in Chambersburg, PA. In my free time, I love to be outside. I enjoy bike riding, hiking and swimming. I also recently took a class in photography and since then, I have been taking pictures all the time.

I can not wait to get to know you and your children better. I feel very blessed to be able to work here and I am so excited for all the opportunities I will be able to offer your children while they are in my care. If you even have any questions, feel free to ask, I would love to chat with you.

Thanks and have a great Fall, Love Miss Jen

General Reminders;

- Please have an extra set of seasonal clothing in your child's cubby
- The center will be closed on Friday, October 21st for Fall Break

We would really enjoy to have family pictures, so that we can hang them in our classroom. The children really like this!
