Small groups
will be focusing
on Social-
Emotional Skills

Dates to Remember

Feb.6-Spring Semester Begins

Feb. 14 - Valentine's Day Celebration

Feb.28 - Vision Screening

Apr. 19 - Service Day-No Lab School

May 2 - Last Day of Lab School

Welcome back to the spring semester at the ELC! I am excited to get started by welcoming our 2 student teachers in the AM class. Please see their introductions on page 2. Also, we welcome Ms.Dawn who worked in the AM to the PM class. Our theme for the next two weeks will be about people and their jobs. I have several visitors lined up to come and tell us what their jobs are and what they do. Almost all of our guests are parents from children in the AM or PM classes. We will be learning new words to identify these jobs!

We will also be celebrating Valentine's Day on February 14th, please look for an e-mail and class lists.

**Anytime you have a question or concern please feel free to call or contact Miss Jan. Warmly, Miss Jan

Science: Weighing Objects, Hats for Jobs, Magnets

Art: Paint with Vehicles, Decorate a Valentine bag, Droppers/Coffee Filters, Valentine Card

Dramatic Play: Post Office & Vet Office

Meet our New Student Teachers in the AM Class

Hello Everyone!

My name is Elizabeth Mueller. I am a Senior Human Development and Family Science major with an Early Childhood Education minor. I live in Lancaster City with my family. I have two younger brothers who are twenty and seventeen. I also have a Chocolate Lab named Shadow and a cat named Callie. I love reading, playing piano, knitting, and having fun!

My name is Alicia Heigel and I am currently a senior at Messiah College. I am working toward completing my dual certification in both Elementary and Early Childhood Education. My hometown is Marietta, PA which is fairly close to Elizabethtown. In my free time, I enjoy running, reading and traveling. Last January I was able to go to New Zealand on a cross-cultural which has been, by far, the best trip that I have ever taken! This past fall I completed my student teaching in a Kindergarten classroom at Wellsville Elementary School. I was very fortunate to have been blessed with such an incredible experience in which I learned so much! Overall, my biggest passion is to create a lifelong love for learning within each and every one of the children that I teach!

Hi, my name is Dawn Isley and I will be assisting Ms. Jan in her classroom for the coming year. I have worked at the ELC in various positions over the past three years, including teaching with Ms. Jill in Extended Care and most recently working as a substitute in the Family Grouping Room. Prior to working at the ELC, I substituted in the elementary classrooms in the Mechanicsburg Area School District and at the Harrisburg Academy. I graduated from Messiah College with a degree in Elementary education and am currently working towards a Master's degree
