Messiah College EpiCenter / International Programs

Although EpiCenter programs are open to all students, there are some programs that may be of particular interest to students in the Department of Mathematical Sciences. Below is a description of these opportunities. For more details, stop by the EpiCenter.

*"The world is a great book
of which they who never stir from home read only a page."*

Resources available in the EpiCenter include:

- ***Applications***
- ***Brochures / Catalogs / Videos***
- ***Course Listings***
- ***International Student Identity Cards***
- ***Fact Sheets***
- ***Passport Photos***
- ***Videos***

Information is provided about:

- ***Costs***
- ***Deadlines***
- ***Names of Program Advisors***
- ***Passports***
- ***Requirements***
- ***Traveling/Studying Abroad***

City University Athens

Students live and study in the shadow of the ancient Acropolis while participating in BCA's program in Athens. Field trips to such places as Delphi, Corinth, Mycenae, Epidaurus, Naphleon, and Sparta provide students with an introduction to the history and culture of Greece.

- ✓ Sophomore, junior, or senior status
- ✓ 2.7 GPA

City University has courses in mathematics and computer science.

Daystar University

Messiah Students can join the approximately 1,800 learners who study each year at Daystar University in Kenya, East Africa.

- ✓ Sophomore, junior, or senior status
- ✓ 2.75 GPA

The university has math and education departments and offers a number of courses that may fulfill general education requirements.

Internships

Students who participate in the Messiah College Internship Program have opportunities to test their educational theories in real world settings as they preview possible career options.

- ✓ Junior or senior status
- ✓ 2.5 GPA

Philadelphia Campus

Studying in Philadelphia allows students to have the benefits of a large university and the closeness of a small community as they experience an urban culture. Students take classes from both Messiah and Temple faculty and live in one of the seven Messiah-owned buildings on Broad Street.

- ✓ Sophomore, junior, or senior status
- ✓ 2.5 GPA

Physics majors spend two years at the Philadelphia campus.

Philipps University

Messiah students can strengthen their language skills by spending a semester or a year studying at the oldest Protestant university in the world. Students live with German families or may be permitted to live in Schloss castle.

- ✓ Junior or senior status
- ✓ Four semesters of college-level German are required
- ✓ 3.0 GPA

This program offers courses in Mathematics

Student Visitor Program

Students can study for a semester at any of the schools that make up the Christian College Consortium without the hassle of exhaustive application forms, putting the educational resources of 12 other colleges at their disposal.

- ✓ Good academic standing
- ✓ First year through senior year

University of Gloucestershire

Located in southwestern England (near the border of Wales). University of Gloucestershire is home to the BCA program in the UK. Messiah students experience British life in the quaint English town of Cheltenham. Students also travel to historical and cultural locations around the country.

- ✓ Sophomore, junior, or senior status
- ✓ 2.7 GPA

Computer Science related courses are available.
