

HEA Disclosure to Prospective Students

In compliance with federal law, Messiah College is required to provide prospective students with notice of its campus security report, fire safety report, intercollegiate athletic program participation rates and financial support data, and preferred lender arrangements. These reports, as well as other required disclosures, are included on the College's [HEA Student Consumer Information](#) portal webpage. We encourage you to visit the webpage for information on many aspects of Messiah College.

Specific information regarding Messiah College's campus security report and fire safety report and links to the reports and other related material are as follows:

- [Campus Security Report](#) (including Campus Security Policies, Crime Statistics, Crime Log, and Missing Student Notification Policy)

Messiah College's campus security report and safety and security information posted on the [Department of Safety](#) website includes statistics regarding the incidence of campus crime over the past 3 years, the College's missing student notification policy, links to the College's complaint log and crime log, campus timely warning and emergency notification procedures, emergency evacuation procedures, information regarding hate crime and sexual assault reporting, a link to the College's fire safety report, and other details about crime prevention and reporting and safety and security practices. Related material can be found on the [Campus Security Data](#) website of the U.S. Department of Education. In order to find information specific to Messiah College, click on "Get data for one institution/campus" and enter "Messiah College" in the block entitled "Name of Institution." If you would like additional information, clarification, or a paper copy of the campus security report, please contact the Department of Safety at extension 6005.

- [Fire Safety Report](#)

Messiah College's fire safety report is posted on the [Department of Facility Services Fire Safety](#) website. The report contains on-campus fire statistics for the three most recent calendar years, instructions on obtaining a current log of fires, descriptions of on-campus housing facility fire safety systems, fire drill data, descriptions of College fire safety policies and training programs, information regarding fire reporting, and other related material. If you would like additional information, clarification, or a paper copy of the fire safety report, please contact the Fire and Safety Systems Office at extension 6022.

Specific information regarding Messiah College's intercollegiate athletic program participation rates and financial support data is available at

[Intercollegiate Athletic Program Participation Rates and Financial Support Data \(Equity in Athletics Disclosure Act\)](#)

Specific information regarding Messiah College's policy on preferred lender arrangements and private loan opportunities is available at [Preferred Lender Arrangements](#).
