

3+ 2 Articulation Agreement in Occupational Therapy for Qualifying High School Seniors

The 3+ program in Occupational Therapy (3+ OT) is the result of a new and exciting collaboration between Messiah College and the Jefferson School of Health Professions of Thomas Jefferson University (TJUSHP). Students can earn both a Bachelor’s Degree in either Biopsychology (B.S.) or Health and Exercise Science (B.A.) and the Master of Science in Occupational Therapy (MSOT) degree in five years. Students will spend the first three years at Messiah, and then proceed to Jefferson School of Health Professions for the final two and a half years of graduate Occupational Therapy coursework. The Bachelor’s degree in either Biopsychology (B.S.) or Health and Exercise Science (B.A.) from Messiah will be awarded after successful completion of the first year at Jefferson School of Health Professions. The MSOT from Thomas Jefferson University will be awarded after successful completion of the final year at Jefferson School of Health Professions. **This document is intended for current Messiah College applicants with a high school GPA of 3.2 or higher on a 4.0 scale; a combined SAT score of at least 1250 or, an ACT score of at least 23; who have completed at least 35 hours of OT shadowing by February of their senior year of high school.**
