

PIZZA BOX RECYCLING

Pizza boxes are recycled here at Messiah. The proper way to recycle them is as follows:

- **Remove all pizza leftovers and discard it in the trash.**
- **Remove any wax paper liner and discard it in the trash.**
- **Remove any sauce containers and discard them in the trash.**
- **Remove any plastic tripod lid props and place them into a plastic recycling container.**
- **Remove the peppers (Papa John's) and discard them in the trash.**
- **Please discard your napkins and plates in the trash, do not leave inside the box.**

The cardboard box should then be taken to the cardboard recycling bin and placed there.
