

Recommended Courses for Dual Enrollment

The following courses are taught on the Mechanicsburg campus of Messiah College during the traditional fall and spring semesters. **These courses are not offered every semester and registration in a particular course is not guaranteed as it is based on seat availability.** You may check the current [course schedule here](#). You may also want to check [here](#) for our list of courses that meet the General Education requirements at Messiah College. It is recommended that students consult with their high school guidance office to ensure that the selected course meets their high school requirements. If you have a question regarding the registration process, please contact: Emily Kime at ekime@messiah.edu. If you have questions regarding the admissions process, please contact: Tim Agnolutto at tagnolutto@messiah.edu.
