Hello Counseling Students!

Please review the following information which highlights some Practicum/Internship-related news.

Reminder for Current Practicum/Internship Students

When you reach the halfway point in the semester, please be sure to complete your Mid-Term Self Evaluation and upload it to your e-portfolio. Also, please ask your Site Supervisor to complete the Mid-Term Practicum/Internship Student Evaluation and talk with you about his/her feedback regarding your counseling skills. Your Site Supervisor’s evaluation also needs to be uploaded to your e-portfolio. These forms can be found in the Practicum/Internship section of our website. If your site supervisor signs the Student Evaluation electronically, please ask him/her to email the form to Skyla Miller (miller@messiah.edu). This is our way of verifying the signature. Thank you!

Your Files

As you move through the program and submit various forms and documents, it is a good idea for you to also keep electronic and/or paper copies for your own files. Particularly, your Practicum/Internship logs may be important for you to have in the future as you apply for licensure and/or certification. Although we are keeping an individual file for each of you, it is beneficial for you to have this information as well.
