School Counseling Internship Final Evaluation by Faculty Supervisor

Thank you for serving as a supervisor for one of Messiah College's graduate students this semester. Your feedback is a valuable piece of the internship experience and this evaluation will serve as a permanent record of the internship student's professional performance.

Please note: This evaluation is designed to be used for all levels of field experience students and the questions assess both basic and advanced skills. In light of this, as well as accounting for diversity among sites, it is not the expectation that all skills will be observed.
