Marriage, Couple, & Family Practicum Mid-Term Evaluation by Faculty Supervisor

Please complete the following evaluation in consultation with the practicum site supervisor. Your feedback will serve as a permanent record of the practicum student's professional performance evaluation. Please note: This evaluation is designed to be used for all levels of field experience students and the questions assess both basic and advanced skills. In light of this, as well as accounting for diversity among sites, it is not the expectation that all skills will be observed.

Practicum Student's Name: ______________________________________________
