

Representatives from the CCCU's study abroad program, **BestSemester will be on campus November 15th from 12-5p.** Messiah College has approved all 9 of their semester-long programs for our students and we want to spread the word!

- Jordan Smith (Program Advisor for Australia and Northern Ireland)
- Katie Heidengren (Program Advisor for Middle East and Uganda)
- Warren Pettit (Program Director for Contemporary Music Center – Nashville, TN)
- Carolyn Dirksen (new Vice President for Educational Programs)

Would you consider hosting one of them in your classes that day, allowing them to share the variety of opportunities that our students could have studying abroad for a semester?

For a full listing of these programs, please check out their website at the following link:

And to see how they might work well for your major students specifically, check out our department pages here: https://www.messiah.edu/info/20916/im_a/1368/academic_advisor/2

If you're interested in having them in a class, a department meeting, or a friendly little chat please let us know! Please contact The [Intercultural Office](#) no later than November 12th. Thanks!
