

**Academic Transportation Release
(01/10/2018)**

I understand and acknowledge that Messiah College provides fleet vehicles for the purposes of transportation to and from academic related travel, and it is the standard policy that all students utilize College fleet for travel. However, I am requesting that I be afforded the opportunity to provide my own transportation for academic-related travel.

I acknowledge that I am 18 years or older and that all travel destinations are within eight hours or approximately 500 miles roundtrip.

I assume any and all risks of accident and injury to myself and/or my property as a consequence of my decision to provide my own transportation and not using the transportation provided by the College.

I hereby certify that the vehicle that I will use for transportation to and from this event is covered by liability insurance for the minimum amount prescribed by law.

Therefore, I assume all liability for, am responsible for, indemnify, and hold harmless Messiah College and its officers, employees, and agents against any loss, liability, damage, or expense arising from any actual or claimed death or injury to any person or actual or claimed damage to property, whether owned by me, Messiah College or third parties, including loss of use, that actually or allegedly results from my transportation to or from club activities in any vehicle not owned or contracted by Messiah College.
