

Sex Offender Registration Information

The federal Sex Crime Prevention Act requires colleges and universities to advise campus community members where to locate law enforcement agency information provided by the state concerning registered sex offenders. It also requires sex offenders already required to register in the state to provide notice of each institution of higher education in the state at which the person is employed, carries on a vocation, or is a student.

In Pennsylvania, information regarding registered sex offenders may be obtained from the Pennsylvania State Police or a local municipal police agency with jurisdiction for the campus. The Pennsylvania State Police website relative to registered sex offenders may be accessed at
