### III. NURSING

#### **Contents**

The Program	1
Guidelines for Mathematical Sciences Courses	
Students with Advanced Placement credit:	1
8-semester plan	2

### The Program

#### Remember:

- 1. You are personally responsible to plan your program to meet all graduation requirements.
- 2. To graduate you must complete all major and QuEST requirements with a minimum of 123 total credit hours. (a typical nursing plan is 127 credits)
- 3. To continue at Messiah, you will need to maintain a minimum cumulative GPA of 1.80 (0–23 credits), 1.90 (24–56 credits), and 2.00 (57 credits or above).

To enter the clinical nursing courses, you will need to achieve a prerequisite earned GPA of 2.70. The achievement of a "C" or higher is required of every student in all pre-requisite courses for the major completed at Messiah University.

- 4. Only 1 pre-requisite course may be repeated for an earned grade < "C". Only one "C" is allowed in a pre-requisite science course: CHEM 103, BIOL 185, BIOL 186, BIOL 189, BIOL 265. If you earn a second grade of "C" or lower in a science course, one of those courses must be repeated for a higher grade to continue in the nursing program. If you earn a C or lower in the repeated course, you will be dismissed from the nursing major.
- 5. To progress in the nursing major you must maintain a cumulative earned GPA of 3.00.
- 6. Successful criminal history background checks must be completed for entry into the nursing clinical courses.
- 7. You must undergo a physical examination, with annual follow-ups, that are documented on required health forms.
- 8. You must undergo a drug screening prior to clinical courses.
- 9. The last 30 credits preceding the conferring of the degree must be earned at Messiah University with a minimum of 12 credits in the major.

#### **Guidelines for Mathematical Sciences Courses**

Statistics is required for nursing majors and meets the QuEST requirement for Mathematical Sciences.

#### Students with Advanced Placement credit:

Requirements for courses in mathematical sciences can be met through Advanced Placement exam credit. Students who have taken AP exams in calculus, computer science, or statistics can learn <a href="here">here</a> how credit is awarded for your scores.

III. Nursing 2022

# 8-semester plan

# Nursing (B.S.N)

Course #	Course name	Credits	Course #	Course name	Credits
	First Year – Fall		First Year - Spring		
IDFY 101	First Year Seminar*	3	COMM 105	Oral Communications*	3
CHEM 103	Chemical Science*	4	Varies	2 <sup>nd</sup> level language*	3
BIOL 185	Human Anatomy & Physiology I*	4	IDCR 151	Created & Called for Community*	3
