

North Complex

Railing installed around Hess, Miller and parts of Grantham.

South Complex

Kline/Jordan

Tie off to lift bracket on exhaust fan #20 when working above/beyond railing.
Stay in center of roof as much as possible.

Murray Library

Hostetter Chapel

High Center and Climenhaga Fine Arts

When working on equipment on High Center roof, no fall protection is required.
See next page for information on Climenhaga Fine Arts.

Climenhaga Fine Arts

Tie off of AHU 11A lift brackets to access roof drains.

Tie off to air handling unit lift brackets to work on stage unit.

Tie off is not available (yet) to access drains above Miller Auditorium. Use extreme caution for these.

Larsen Student Union

Stay on roof walking pads when possible.
