Annual Assessment Plan

1

2 5 - Apply ethical principles

Apply ethical principles to complex problem-solving and decision-making

Outcome(s)

- 1 Choose one or more accreditor outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 2 Choose one or more Institution outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 3 **Please Enter The Following Information Below:**

Measures - Need to name specific course/ required experience plus exact exam items, assignments, rubric lines, etc. used for the analysis of performance on the PLO.

Targets - Percentage of students expected to earn a particular score on the measure.

Timeline - The frequency with which the department will analyze and report student performance on the PLO.

Measures	Targets	Timeline
EDME 505 Personalized Ethical Framework	90% of students will score 80% or higher	Spring 2022; every three years

- 4 **Results** - Please enter numeric results, indicating the number and percentage of student performance meeting the target. Record faculty discussion about the strengths and weaknesses in student performance. *Please see the May Development section on the Assessment of Student Learning website for suggestions about how to process assessment results.

I was not able to pull up the assessment report because the instructor did not utilize the rubric for grading. I looked at the grades for this assignment. 90% of students did score 80% or higher. We met our target.

I have communicated with the instructor that the rubric must be used in the future.

- 5 **Action Plans** - If student performance did not meet the target, identify specific improvement strategies to enact in the upcoming academic year. For example, add instruction on the topic, change an assignment, revise course requirements, revise objectives, identify additional support/resources for students.
- 6 **Closing the Loop** - If you entered action plans for the PLO last year, they will appear in the box below. Please explain what you did to accomplish the action plan this year, re-examine student performance, and determine the success of your action plan.

The two needed assignments are now in EDME 505, and they are linked to our assessment plan. I have communicated with the instructor that the rubric must be used in the future.

- 3 **1 - A - Current trends**
Analyze, evaluate, and respond to current trends and issues in education.

For example, add instruction on the topic, change an assignment, revise course requirements, revise objectives, identify additional support/resources for students.

The new instructor of this course did not include this assignment. I think we need to re-think this learning objective, and if we keep it, we need to look at what course should be utilized to assess it.

6 **Closing the Loop** - If you entered action plans for the PLO last year, they will appear in the box below. Please explain what you did to accomplish the action plan this year, re-examine student performance, and determine the success of your action plan.

I have made a note to discuss this with the incoming GPE director next year.

5 **6 - B - Intracultural awareness**

Demonstrate intracultural awareness.

- 2 Holistic program improvement goals: Programs are expected to have at least one action plan to improve student learning annually. If you have not yet identified an action plan associated with this year's assessment results, or if the department has identified additional issues that require action plans, describe the specific, measurable action plan and its relation to evidence of student performance.

We still have more work to do on assessment. Here are our goals for next year.

1. Communicate to all adjuncts about the need to utilize the rubric in Canvas for grading.
2. Talk through the PLO "1. B. Demonstrate an understanding of the historical evolution of schools and the influence that history has had in shaping current school contexts" with the incoming GPE director. Consider whether that should be changed, and/or what assignment should be utilized.
3. Ensure that our target assessment dates align with when courses are offered.
4. Discuss objective 3B with incoming director. We did not achieve this goal, based on the assignment in EDME 503.

Are targets challenging and achievable?</p>	<p>Some targets are missing.</p>	<p>Targets are arbitrarily chosen or reflect minimal expectations.</p>	<p>Targets are challenging and achievable based on prior student performance, and reflect an appropriate level of performance.</p>	<p>Targets are challenging and achievable. Targets are based on professional standards and/or prior student performance. Targets are set at a level to inspire program improvement.</p>

10 Explanations:

11 **Timeline**

	1	2	3	4
<p>Is the timeline for data collection manageable with sufficient data points to effectively inform decision making and program review?</p>	<p>Not identified clearly for all measures.</p>	<p>Clearly states semester/year for each objective/measure. Data analysis delayed from data collection. Time between collection points may not facilitate informed decision making.</p>	<p>Clearly stated and manageable schedule. At least two data points for each objective per review cycle.</p>	<p>Timeline for data collection is manageable and allows for continuous improvement with timely and meaningful decision making even before program review.</p>

<p>Is the department effectively examining and using assessment data to revise curriculum and pedagogy to support student learning?</p>	<p>○</p> <p>Assessment data not collected/analyzed/used for decisions and/or results not documented in AEFIS.</p>	<p>○</p> <p>Data collected, documented and discussed by department. Department reviewed confidence in measures and data as sufficient indicators of student performance. If data indicated changes were needed, action plans were developed in consultation with dean (e.g. improving outcomes, measures, targets, curriculum or pedagogy).</p>	<p>○</p> <p>Data collected, documented and discussed by department. Department and dean confirmed confidence in measures and data as sufficient indicators of student performance. Action plans (e.g. improving outcomes, measures, targets, curriculum or pedagogy) developed in consultation with dean. If prior year data warranted action plans, the department implemented the changes.</p>	<p>○</p> <p>Department collected and discussed follow-up data after the implementation of action plans in order to determine whether changes resulted in improvement or whether additional action is necessary. Data confirms effective curriculum and pedagogy for learning outcomes. Score of 4 should be assigned only if objectives, measures, targets and timeline all score a 4.</p>
