

# Family Nurse Practitioner (DNP)

 Program-13

## Annual Assessment Plan

1

**2 CC #1 - Decision making (GLO 4)**

Integrates nursing science with knowledge from ethics, biophysical, psychosocial, analytical, and organizational sciences as the foundation in applying the highest level of clinical reasoning and decision making for nursing practice planning and implementation of care.

## Outcome(s)

- 1 Choose one or more accreditor outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 2 Choose one or more Institution outcome that aligns with your Program Learning Outcome.

Selected Outcomes:

- o G1 - Spec. Knowledge - G1. Specialized knowledge

- 3 **Please Enter The Following Information Below:**

**Measures** - Need to name specific course/ required experience plus exact exam items, assignments, rubric lines, etc. used for the analysis of performance on the PLO.

**Targets** - Percentage of students expected to earn a particular score on the measure.

**Timeline** - The frequency with which the department will analyze and report student performance on the PLO.

Measures	Targets	Timeline
NURS 732 Final DNP project paper	80% of students will score an 80% or higher	Assessed Even Years

- 4 **Results** - Please enter numeric results, indicating the number and percentage of student performance meeting the target. Record faculty discussion about the strengths and weaknesses in student performance. \*Please see the May Development section on the Assessment of Student Learning website for suggestions about how to process assessment results.

Benchmark not met. 71% of students scored 80% or higher. 2 students were below 80% and were consistently low scoring in previous courses.

- 5 **Action Plans** - If student performance did not meet the target, identify specific improvement strategies to enact in the upcoming academic year. For example, add instruction on the topic, change an assignment, revise course requirements, revise objectives, identify additional support/resources for students.

Course revisions will occur in NURS 623, 632, and 731 to more adequately prepare students for the final paper.

- 6 **Closing the Loop** - If you entered action plans for the PLO last year, they will appear in the box below. Please explain what you did to accomplish the action plan this year, re-examine student performance, and determine the success of your action plan.

N/A

3 **CC #2 - Ethical initiatives (GLO 5)**

Uses advanced skills of written and verbal scholarly communication for leadership of quality, ethical, and safety health care initiatives that incorporate inter-professional collaborations to meet current and future needs of patient populations.

## Outcome(s)

- 1 Choose one or more accreditor outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 2 Choose one or more Institution outcome that aligns with your Program Learning Outcome.

Selected Outcomes:

- o G5 - Ethical Princ. - G5. Ethical Principles

- 3 **Please Enter The Following Information Below:**

**Measures** - Need to name specific course/ required experience plus exact exam items, assignments, rubric lines, etc. used for the analysis of performance on the PLO.

**Targets** - Percentage of students expected to earn a particular score on the measure.

**Timeline** - The frequency with which the department will analyze and report student performance on the PLO.

Measures	Targets	Timeline
NURS 602 IPE simulation participation	100% of students will participate	Assessed Odd Years

- 4 **Results** - Please enter numeric results, indicating the number and percentage of student performance meeting the target. Record faculty discussion about the strengths and weaknesses in student performance. \*Please see the May Development section on the Assessment of Student Learning website for suggestions about how to process assessment results.

Benchmark met by 100% of students

- 5 **Action Plans** - If student performance did not meet the target, identify specific improvement strategies to enact in the upcoming academic year. For example, add instruction on the topic, change an assignment, revise course requirements, revise objectives, identify additional support/resources for students.

N/A

- 6 **Closing the Loop** - If you entered action plans for the PLO last year, they will appear in the box below. Please explain what you did to accomplish the action plan this year, re-examine student performance, and determine the success of your action plan.

N/A

**4 CC #3 - Applies analytic methods for critical appraisal (GLO 2)**

Applies analytic methods for critical appraisal of all evidence types for translation of best practice evidence into high level nursing practice implementation through written and verbal scholarly communication.

## Outcome(s)

- 1 Choose one or more accreditor outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 2 Choose one or more Institution outcome that aligns with your Program Learning Outcome.

Selected Outcomes:

- o G2 - Scholarly Act. - G2. Scholarly Activities

- 3 **Please Enter The Following Information Below:**

**Measures** - Need to name specific course/ required experience plus exact exam items, assignments, rubric lines, etc. used for the analysis of performance on the PLO.

**Targets** - Percentage of students expected to earn a particular score on the measure.

**Timeline** - The frequency with which the department will analyze and report student performance on the PLO.

Measures	Targets	Timeline
NURS 632 Project prep assignment-Table of evidence matrix	80% of students will score an 80% or higher	Assessed Odd Years

- 4 **Results** - Please enter numeric results, indicating the number and percentage of student performance meeting the target. Record faculty discussion about the strengths and weaknesses in student performance. \*Please see the May Development section on the Assessment of Student Learning website for suggestions about how to process assessment results.

Benchmark met by 100% of students

- 5 **Action Plans** - If student performance did not meet the target, identify specific improvement strategies to enact in the upcoming academic year. Benchmark was met this year with some revisions to the lecture content for that assignment.

5 **CC #4 - Proficiency in Information systems/technology (GLO 3)**

Uses information systems/technology proficiently to evaluate programs of care, outcomes of care, and care systems for quality improvement and administrative decision-making.

## Outcome(s)

- 1 Choose one or more accreditor outcome that aligns with your Program Learning Outcome.

There is no selected outcome.

- 2 Choose one or more Institution outcome that aligns with your Program Learning Outcome.

Selected Outcomes:

- o G3 - Competencies - G3. Competencies

- 3 **Please Enter The Following Information Below:**

**Measures** - Need to name specific course/ required experience plus exact exam items, assignments, rubric lines, etc. used for the analysis of performance on the PLO.

**Targets** - Percentage of students expected to earn a particular score on the measure.

**Timeline** - The frequency with which the department will analyze and report student performance on the PLO.

Measures	Targets	Timeline
NURS 632 Final project proposal paper	80% of students will score an 80% or higher	Assessed Even Years
NURS 732 Final DNP project paper	80% of students will score an 80% or higher	Assessed Even Years

- 4 **Results** - Please enter numeric results, indicating the number and percentage of student performance meeting the target. Record faculty discussion about the strengths and weaknesses in student performance. \*Please see the May Development section on the Assessment of Student Learning website for suggestions about how to process assessment results.

Benchmark met by 92% of students. Weakness identified in NURS 732 final paper

- 5 **Action Plans** - If student performance did not meet the target, identify specific improvement strategies to enact in the upcoming academic year. For example, add instruction on the topic, change an assignment, revise course requirements, revise objectives, identify additional support/resources for students.

Course revisions will occur in NURS 623, 632, and 731 to more adequately prepare students for the final paper.

- 2 Holistic program improvement goals: Programs are expected to have at least one action plan to improve student learning annually. If you have not yet identified an action plan associated with this year's assessment results, or if the department has identified additional issues that require action plans, describe the specific, measurable action plan and its relation to evidence of student performance.

Course revisions will occur in NURS 623, 632, and 731 to more adequately prepare students for the final DNP project paper. Otherwise, all benchmarks met.

Goal: Increase student competence on NURS 732 final DNP project paper to be above benchmark (80% score 80% or higher) through course revisions.

## Assessment Rubric

**1 Process**

9 **Targets**

	1	2	3	4

	1	2	3	4
<p><b>Are the targets based on professional standards and/or analysis of past student work? Are targets challenging and achievable?</b></p>	<p>Some targets are missing.</p>	<p>Targets are arbitrarily chosen or reflect minimal expectations.</p>	<p>Targets are challenging and achievable based on prior student performance, and reflect an appropriate level of performance.</p>	<p>Targets are challenging and achievable. Targets are based on professional standards and/or prior student performance. Targets are set at a level to inspire program improvement.</p>

10 Explanations:

11 **Timeline**

	1	2	3	4
<p><b>Is the timeline for data collection manageable with sufficient data points to effectively inform decision making and program review?</b></p>	<p>Not identified clearly for all measures.</p>	<p>Clearly states semester/year for each objective/measure. Data analysis delayed from data collection. Time between collection points may not facilitate informed decision making.</p>	<p>Clearly stated and manageable schedule. At least two data points for each objective per review cycle.</p>	<p>Timeline for data collection is manageable and allows for continuous improvement with timely and meaningful decision making even before program review.</p>

12 Explanations:

**Action Plan**

	1	2	3	4
<p><b>Is the department effectively examining and using assessment data to revise curriculum and pedagogy to support student learning?</b></p>	<p>○</p> <p>Assessment data not collected/analyzed/used for decisions and/or results not documented in AEFIS.</p>	<p>○</p> <p>Data collected, documented and discussed by department. Department reviewed confidence in measures and data as sufficient indicators of student performance. If data indicated changes were needed, action plans were developed in consultation with dean (e.g. improving outcomes, measures, targets, curriculum or pedagogy).</p>	<p>○</p> <p>Data collected, documented and discussed by department. Department and dean confirmed confidence in measures and data as sufficient indicators of student performance. Action plans (e.g. improving outcomes, measures, targets, curriculum or pedagogy) developed in consultation with dean. If prior year data warranted action plans, the department implemented the changes.</p>	<p>○</p> <p>Department collected and discussed follow-up data after the implementation of action plans in order to determine whether changes resulted in improvement or whether additional action is necessary. Data confirms effective curriculum and pedagogy for learning outcomes. Score of 4 should be assigned only if objectives, measures, targets and timeline all score a 4.</p>

14 Explanations:

15 **Dissemination**

	1	2	3	4

	1	2	3	4
<p><b>Is the department communicating learning objectives, results and improvements related to student learning to a wide audience?</b></p>	<p style="text-align: center;"></p> <p>No record of assessment results and changes made as a result of assessment findings.</p>	<p style="text-align: center;"></p> <p>The department/program retains records of assessment results and positive changes made as a result of assessment findings, and results are entered in assessment software system.</p>	<p style="text-align: center;"></p> <p>The department/program retains records of assessment results and changes made as a result of assessment findings, results are entered in assessment software system, and assessment results and improvements are publicly posted.</p>	<p style="text-align: center;"></p> <p>The department/program retains records of assessment results and changes made as a result of assessment findings, and results are entered in assessment software system.
