of the requirements of the degree
Bachelor of Science in Music Education*

Translations

Ridente la calma

Smiling, calmness awakens

Smiling, calmness awakens in the soul;
There remains not a trace of anger or fear.

You come, meanwhile, to embrace my delight,
The sweet chains so pleasant to my heart.

Smiling, calmness awakens in the soul;
There remains not a trace of anger or fear.

Après un Rêve

After a dream

In a slumber which held your image spellbound
I dreamt of happiness, passionate mirage,
Your eyes were softer, your voice pure and sonorous,
You shone like a sky lit up by the dawn;

You called me and I left the earth
To run away with you towards the light,
The skies opened their clouds for us,
Unknown splendors, divine flashes glimpsed,

Alas! Alas! sad awakening from dreams
I call you, O night, give me back your lies,
Return, return radiant,
Return, O mysterious night.
