

ALL THINGS STUDENT CONCERN FORM

When Would I Use This?

- You are concerned about a student and it is not solely about academics (if it is, then put in an Academic Update)
- A student shared something with you and you want them to get connected to resources
- You have noticed something concerning about a student regarding physical/mental/emotional health and want a professional to intervene

Why Would I Use this?

- Messiah is a close knit community and information about students helps us care for them well and keep them safe

Who receives the form and follows up?

- This form only goes to the Office of Student Success team (the student will not be cc'd)
- They decide next steps and may reach out to the student directly to meet and offer resources
- They may also decide to inform the student's RD, Coach, or another key staff member at Messiah that will follow up with student
- The goal is to serve the student well while also respecting their privacy
- **This is not for Title IX concerns** - If a student shares about a Title IX concern please follow the appropriate reporting steps
