

TRANSPORTATION RELEASE AND WAIVER
ACADEMIC FIELD TRIPS

Messiah University
Updated November 2022

I understand, acknowledge and agree that Messiah University provides fleet vehicles for transportation to and from academic field trips, and it is the standard policy that all students utilize only fleet vehicles for such travel. However, I am voluntarily requesting that I be afforded the limited opportunity to provide my own transportation for certain designated field trip travel.

I acknowledge that I am 18 years or older, a responsible and licensed driver, and the travel destination is within one hour (60 miles) from my departure site.

I assume any and all risks of accident and/or injury to myself and/or my property as a consequence of my voluntary decision to provide my own transportation and electing not to use the transportation provided by the University.

I hereby certify that the vehicle I will use for transportation to and from this event is in good working condition and covered by liability insurance for at least the minimum amount(s) prescribed by law.

To the fullest extent of Pennsylvania law, I assume any and all liability for, and that I am responsible for, indemnifying, and holding harmless Messiah University and its officers, employees, and agents from and against any loss, liability, damage, or expense arising from any death or injury to any person or actual or claimed damage to any property, whether owned by me, Messiah University or third parties, including loss of use, resulting from use of my own transportation to or from academic field trips and in any vehicle not owned or contracted by Messiah University.
