

New Allergy & Dietary

Alternatives Icons

We know that many students have special dietary needs. We want to provide information that is both accurate and easy to understand. With that in mind, we have new labeling icons for all of our menus.

We label items that are Vegetarian, Vegan, or Gluten Free, as well as items that contain Shellfish, Nuts, and Dairy.

Look for these icons in all of our dining locations to help you find the right meal for you.

Manage Your Account

We know you don't want to run out of Dining Dollars before the end of the year. We also know you'll need to get used to a new schedule and new eating experience. Here are some helpful tips to keep in mind:

You have \$920.00 Dining Dollars to spend each semester.

You can carry over up to \$100.00 unused Dining Dollars from the Fall to Spring semester.

Each student has his/her own unique schedule and dining needs. You can use Dining Dollars on campus as early as 7:00am and as late as 11:00pm (midnight on Friday and Saturday).

If you dine on campus every day that class is in session and every weekend that Lottie Nelson Dining Hall is open, you can spend an average of \$8.59 a day and NOT run out of Dining Dollars through the fall and semester.

If your card is not in working order and your picture is not clearly identifiable, you will not be able to purchase items with your card in any of our restaurants until you have replaced your ID card.

If you have any questions about this policy, please stop by the office, email dining@messiah.edu or call the Dining Services office at ext. 7126.
