## **Veterans' Benefits Reporting Form**

2015 - 2016

The purpose of this form is to collect information from you about any Veterans' Benefits you will be receiving. If we know about your anticipated benefits early in the financial aid process, it will help us avoid the need to revise your financial aid award later in the year. This will be helpful to you, since it will give you a better idea of the final amounts of your financial aid earlier in the year.

If you are a veteran, or the dependent of a veteran, and plan to receive veterans' benefits to help pay your educational expenses, please review Messiah College's policy entitled Military Benefits and Institutional Financial Aid (http://www.messiah.edu/documents/financial aid//MilitaryBenefitsandInstitutionalAid.pdf) so that you will understand how your veterans' benefits will interact with Messiah College institutional financial aid programs.

Please complete this form and return it to Steve Gross, Messiah College, One College Avenue Suite 3010, Mechanicsburg PA 17055, or FAX to (717) 691-2315 **as early as possible**. You can also send the information by email to <a href="mailto:sgross@messiah.edu">sgross@messiah.edu</a> as long as you include all of the information requested below.
