**HIED 562: Internship in Higher Education
Learning Agreement**

The internship course requires that you develop specific learning goals to guide your internship experience. This learning agreement should be prepared in consultation with your Site Supervisor. This agreement must be completed and submitted to your HIED 562 faculty member by the end of the first week of the semester.

Course Objectives

1. Be prepared to meet the ethical responsibilities associated with their roles as higher education professionals.
2. Embody a commitment to excellence through participation in professionally-oriented experience.
3. Demonstrate the ability to reflect upon professional practice for the purposes of improving one's understanding of and ability to serve within professional contexts.
4. Engage the linkages between theory and administrative practice.
5. Gain professional visibility and academic networking opportunities for professional opportunities.
6. To explore and define vocation, identity, and faith as it pertains to professional role(s), and responsibilities.

You should have a minimum of four learning goals for this course; these must be linked to your professional development goals and to the six course objectives. List your goals and specific steps you plan to accomplish these goals.
