Messiah College

**Fleet Vehicle Off Campus Breakdown and Accident**

**Policy and Procedure**

**Policy:** It is the policy of Messiah College to provide 24/7/365 assistance for college fleet vehicles.

**Objectives:** To provide service or towing in the event of a breakdown or accident in a college fleet vehicle.

**Definitions:**

**Accident** – An event or incident in which a college fleet vehicle is damaged due to impacting another vehicle or object; or as the result of being impacted by another vehicle or object. Please refer to the Fleet Services Program Administration & Vehicle Use Policy and Procedure for further specific details.

**Assistance** – Provide technical and/or logistical support to drivers of college fleet vehicles in the event of an off campus breakdown or accident.

**Breakdown** – An event or incident that may temporarily or otherwise render a fleet vehicle inoperable. This may be due to a mechanical systems malfunction or another type of service related issue.

**Equipment:** The person assigned to the vehicle should use a personal cell phone or public phone to call for assistance.

**Appendix A:** Transportation Options

**Appendix B:** Local Towing Services

**Procedure:** In the event of a breakdown or accident, the following steps should be followed:

(i.e. out of fuel, flat tire, over-heating, won’t start) or accident.

3. Provide Dispatch with the specific location of the disabled vehicle or accident.

4. If possible, provide at least one or more cell phone/telephone numbers in order for Dispatch Services to be able to contact the fleet vehicle driver with additional instructions or information.

5. Please remember that any incident involving a college fleet vehicle, irrespective of whether damage is visible or not, must be reported to Dispatch Services, or campus receptionist, as soon as possible after the incident occurs. When necessary, obtain the driver’s safety kit from the vehicle glove box. Complete the Accident Report form and take pictures.

Dispatch

1. If the breakdown or accident does not put the vehicle and/or passengers in a dangerous/emergency situation, then please wait to contact the Facility Maintenance Service Manager (or otherwise designated person) until normal working hours or on the next business day. (Be respectful and avoid calling between 10pm and 7:30am).

2. If the breakdown or accident does put the vehicle and/or passengers in a dangerous/emergency situation, then Dispatch shall immediately contact the Facility Maintenance Service Manager (or otherwise designated person) for further instructions.

3. Note of Understanding: It is the intent of this procedure for Dispatch Services to work cooperatively with the Facility
Maintenance Services Manager in order to render assistance to college fleet vehicle drivers in the event of a breakdown or accident. At the request of the Facility Maintenance Services Manager, Dispatch Services shall make any contacts or take any actions as deemed appropriate and necessary.

Facility Service Manager

1. The Facility Service Manager will determine if service can be provided and/or the vehicle needs towed.

"Note - The signed copy of this procedure is filed in the Facility Service Department. By signing this policy you have agreed to enforce the contents, share with your staff and adhere to standards".
