

SECTION TEN

ACADEMIC POLICIES GRADUATE PROGRAMS

10 ACADEMIC POLICIES – GRADUATE PROGRAMS

[Approved 5/4/2009, Community of Educators Senate]

10.1 ACADEMIC ASSISTANCE**10.1.1 Academic Advisors**

Each student is assigned to an academic advisor based upon the student's program.

10.1.2 Support Services for Students [Changes approved 2/28/11, COE Senate]

Student services are available to all online graduate students. Campus offices prepared to assist graduate students include: Office of Disability Services, Information and Technology Services, the College Bookstore, and the Murray Library.

10.1.3 Disability Services. Students with disabilities requiring accommodation in classes, programs, or services can arrange for accommodations through the Office of Disability Services. Students are required to self identify, present current documentation of eligibility (generally no older than 3-4 years) and specify any needed accommodations. Following verification of eligibility, an accommodation profile is developed with the student.

Students are then provided with a document verifying their eligibility and the accommodations for which they qualify. For campus-based courses, students may submit a copy of their accommodation letter to any instructors from whom they wish to request accommodations. They must discuss with their instructor how the accommodations will be provided. That dialogue should continue periodically throughout the course, especially if further adjustments are necessary. Failure to verify need for eligibility early in the semester may limit the student's options for completing course requirements because accommodations cannot be provided retroactively.

The College reserves the right to deny an accommodation if that accommodation fundamentally changes the nature of the course, or if it results in lowered course standards. Furthermore, the ADA allows the College to offer an alternative, less-expensive accommodation when that alternative is as effective as the requested accommodation. The College is committed to helping students and instructors find workable solutions that meet student needs while preserving course integrity.

For on-line courses, the nature of the instructional process may require a different set of accommodations than those required for traditional courses. When a student with a disability needs to request an accommodation, the student should contact the Office of Disability Services to verify eligibility, and to describe the perceived barrier. The student is expected to work cooperatively with the instructor and ODS to develop appropriate accommodations when possible. The College will actively work to assure that all course materials are available in a form that assures students full, equal access to content and instruction.

Students who think they may have a disability but who have not been evaluated are encouraged to meet or speak with the Director of Disability to arrange an off site assessment to determine whether their learning difficulties meet the definition of a disability under the Americans with Disabilities Act and its revisions. This can be a lengthy process. ODS can in some situations offer temporary accommodations during the time when a student is actively pursuing evaluation for eligibility under the ADA. Temporary accommodations are available for a maximum of one semester.

10.2 GRADUATE ACADEMIC CALENDAR ASSUMPTIONS [Revised 11/17/10; Approved by COE Senate 12/6/11]

10.2.1 **Background.** The Graduate Council is given primary responsibility for the Graduate Academic Calendar. The Graduate Council will make a recommendation to the Community of Educators Senate who will make the final recommendation to the Provost.

10.2.2 **Rationale.** The assumptions have been put in place in order to 1) establish a protocol for current and future graduate programming, 2) maximize the efficient use of resources required to administer graduate programming, and 3) provide a positive and consistent experience for all graduate students.

10.2.3 **Parameters** [Changes approved by COE Senate, 10/10/11]

10.2.3.1 **Semesters.** Beginning Fall 2011, the Graduate Calendar will consist of three academic semesters: fall, spring and summer.

10.2.3.2 **Length of Semesters.** The fall semester will consist of 17 weeks, spring of 18 weeks, and the summer of 14 weeks. There will be no graduate classes between the end of the fall semester and the beginning of the spring semester.

10.2.3.3 **Terms.** Each semester may be divided into “terms” and “parts of term” as defined below under “Length of Terms.” Courses may cross over defined “parts of term” within a single semester, but they shall not cross over defined semesters, i.e., all courses must begin and end in the same semester.

10.2.3.4 **Parts of Term.** Term within a semester are based upon one of the following models.

- a. *Eight-Week Model.* Courses offered using the 8-week model will be delivered in eight consecutive weeks, beginning at the start of the fall or summer semester or beginning on the second week of the semester in the spring, or beginning on the 10th week of the semester in the fall or the 11th week of the semester in the spring. A one-week break will occur between each eight week course offered in any given semester.
- b. *Twelve-Week Model.* Courses offered using the 12-week model will be delivered in 12 consecutive weeks beginning at the start of the fall semester, and over the course of 13 weeks beginning at the start of the spring semester. There will be no one-week breaks during the fall semester; there will be one one-week spring break during the spring semester. The graduate spring break will follow the parameters of the undergraduate spring break and therefore will occur at the same time as that which has been established by the undergraduate academic calendar.
- c. *Semester-Long Model.* Courses offered using the semester-long model will be delivered in consecutive weeks beginning at the start of the fall or summer

semester or beginning of the second week of the spring semester, and ending on the last day of the second course following the eight-week model. Observance of the fall and spring breaks established by the undergraduate schedule will be at the discretion of the teaching faculty with approval of the Director/Program Coordinator. In all instances, the minimum number of hours of classroom instruction for a graduate course must be equivalent to 14 hours per college credit.

- d. *Intensive Model.* Courses offered using the intensive model will be delivered face-to-face on campus (or other venues designated by the College) and may not exceed fourteen (14) days of on-campus instruction. Intensive courses will frequently require students to complete work before the first face-to-face meeting and finish course work within a designated period of time following the last day of the on-campus instruction. Though other configurations are permissible within the intensive model delivery, a course designated using the intensive model will typically require students to meet face-to-face for one week (Monday – Friday), approximately eight hours each day, and allow two weeks following the last day of in-class instruction for the completion of course work. For all intensive courses, the duration of the course (including face-to-face time as well as pre- and post- classroom expectations) must be communicated clearly in the course syllabus, the minimum number of hours of classroom instruction must be equivalent to at least 14 hours of classroom instruction per college credit, and the course must begin and end in the same semester.

Any exceptions to program delivery outside one of these models will require the submission and approval of a Petition of Special Accommodations wherein a rationale for an alternate model has been clearly articulated and it is evident that following one of these existing models would prove detrimental to the success of the proposed program. This petition should be submitted to the Provost, who will render the final decision on the matter.

- 10.2.3.5 Weeks. A week on the graduate calendar begins on Sunday and ends on Saturday.
- 10.2.3.6 Course Time. In accordance with the Pennsylvania State regulations, one college credit is defined as a minimum of 14 hours of classroom instruction, or 42 hours per three-credit course, and each graduate course will adhere to this state-regulated standard.
- 10.2.3.7 Start Dates. The fall semester will begin on the Sunday of the last full week of August. All fall semester courses will begin at the same time. The spring semester will begin with an intensive one-week course on the Sunday of the first full week of January. All other spring courses will begin on the Sunday of the second full week of January. All eight-week summer courses will begin on the second Sunday following the last Saturday of the spring semester. Intensive summer courses will be scheduled throughout the 14-week semester at least one year in advance and in coordination with the appropriate campus offices.
- 10.2.3.8 Holidays. There will be no graduate classes between the end of the fall semester and the beginning of the spring semester. This will preserve the Christmas and New Year’s Day holidays as well as the college closure between Christmas and New Year’s. Other holidays will be accommodated at the discretion of the instructor of the

course. In all instances, the minimum number of hours of classroom instruction for a graduate course must be equivalent to 14 hours per college credit.

10.2.3.9

Aligning with Undergraduate Calendar. The parameters of the graduate academic calendar have been set independent of the undergraduate calendar, with the exception of spring break, which will be the same as that of the undergraduate schedule for the twelve-week model. There will be no spring break for the courses offered in an eight-week model.

10.3 ACADEMIC DEFINITIONS

- 10.3.1 **Master of Arts.** The M.A. degree is conferred for successful completion of a program generally requiring one or two years of full-time college-level study beyond the bachelor's degree. It is awarded in the liberal arts and sciences for advanced scholarship in a subject field or discipline and demonstrated ability to perform scholarly research.
- 10.3.2 **Master of Science.** The M.S. degree is conferred for successful completion of a program generally requiring one or two years of full-time college-level study beyond the bachelor's degree. It is awarded in the liberal arts and sciences for advanced scholarship in a subject field or discipline and demonstrated ability to perform scholarly research.
- 10.3.3 **Master of Music.** The M.M. degree is conferred for successful completion of a program in music generally requiring one or two years of full-time college-level study beyond the bachelor's degree. It is awarded for advanced scholarship in music and demonstrated ability to perform scholarly research.
- 10.3.4 **Master of Education.** [Added with approval of COE Senate, 10/10/11.] The M.Ed. degree is conferred for successful completion of a program in education generally requiring one or two years of full-time college-level study beyond the bachelor's degree. It is awarded for advanced scholarship in education and demonstrated ability to perform scholarly research.
- 10.3.5 **Master of Business Administration:** The MBA degree is conferred for successful completion of a program in business generally requiring 2-3 years of college-level study beyond the bachelor's degree. It is awarded for the advanced study of the theory and practical application of business and management.
- 10.3.6 **Master of Occupational Therapy:** The MOT degree is conferred for successful completion of a program in Occupational Therapy generally requiring 25 months of full-time college-level study beyond the bachelor's degree. It is awarded for entry-level occupational therapy practice based on the integration of theoretical knowledge and skill-based competencies in occupational therapy.
- 10.3.7 **Doctorate:** The doctorate degree is the highest award a student can earn for graduate study, requiring advanced work beyond the master's level; conferred upon completion of a program providing knowledge and skills for recognition, credential or license for professional practice; or upon the preparation and successful defense of a dissertation based on original research; or the planning and execution of an original project demonstrating substantial artistic or scholarly achievement.
- 10.3.8 **Certificate of Advanced Graduate Studies.** This certificate is designed for students who already have a master's degree but would like to earn additional credits for a specialty area or certification and/or licensure requirements. The specific course work is tailored to meet the needs of the certificate student, but the course work must

include a minimum of 12 credits.

- 10.3.9 **Post-Baccalaureate Certificate of Graduate Studies:** This certificate is designed for students who have a bachelor's degree but would like to earn graduate level credits within a specialty area or discipline. The group of courses required to earn this certificate is specifically prescribed and includes a minimum of 12 credits.
- 10.3.10 **Program.** A prescribed set of courses and other requirements recommended by the Graduate Council and approved by the Community of Educators and College Council as a valid representation of the area of study. Generally these courses focus on a specific academic discipline. Satisfactory completion of this prescribed set of courses leads to a graduate degree in that area of study.
- 10.3.11 **Program Core.** A prescribed set of specialized courses recommended by a program and approved by the Community of Educators as a valid representation of the area of study. These courses are completed by all students in a particular graduate program. A core may be complemented with a track/concentration.
- 10.3.12 **Subsequent Degree.** A student with a graduate degree from Messiah can return to the College and graduate with a different second graduate degree. Credits earned in one degree cannot be used for a second degree.
- 10.3.13 **Track/Concentration.** A prescribed set of courses in a sub-discipline of a program or closely related discipline consisting of a minimum of 9 credits and a maximum of 45 credits. Students may complete requirements for more than one track.
- 10.3.14 **Concurrent Degrees:** In concurrent degree programs, students complete requirements for two different degrees at the same time at Messiah College. Concurrent degrees require further study than either degree alone, but typically less than if the degrees are pursued separately. The awarding of both degrees occurs simultaneously at the time all graduation requirements are successfully completed for both. Students are not eligible for one degree until both degrees are finished.
- 10.3.15 **Semester (term):** A semester or term is a session within the academic year in which courses are offered. Consisting of 17 weeks in length in the fall, 17-18 weeks in the spring, and 14 weeks in the summer, each semester may contain various parts-of-term. Students may register for more than one course in a semester.
- 10.3.16 **Part of a Term:** A part-of-term is a condensed term contained within a semester and provides the flexibility for accelerated courses to be offered. Typical models include 6-week, 8-week or intensive parts-of-term. All parts-of-term are confined within the published beginning and ending dates of the semester. Students may register for more than one course in a part-of-term.
- 10.3.17 **Intensives:** Intensive courses are named for their concentrated meeting time and immersive learning experience within a short period of time. Typical models provide students the opportunity to attend class in a face-to-face environment eight hours a

day for five days. In addition to the work taking place during the week, course readings and work are assigned prior to and following the face-to-face experience.

10.3.18 **Prerequisite Course:** A prerequisite is a course which must be completed prior to another course(s) due to the fundamental content or knowledge required through the progression of study. Prerequisite requirements are included in course descriptions and may be enforced through course registration.

10.3.19 **Co-requisite Course:** A co-requisite is a course which must be taken in the same part-of-term as another course. Typically a lecture and lab/clinical combination, registration for co-requisite courses must be performed in the same registration transaction. Co-requisite requirements are included in course descriptions.

10.3.20 **Concurrent Course:** A concurrent course is a modification of a prerequisite requirement, where it can be taken in an earlier semester or in the same semester as the course in which registration is attempted.

10.3.21 **Course Delivery**

a. Traditional-Students meet at a physical location during scheduled meeting times for the duration of the course.

b. Synchronous-Use of a learning management system and other technologies to deliver real-time online lectures and discussions for students at remote locations.

c. Asynchronous-Use of a learning management system and other technologies to deliver recorded online lectures and materials for students at remote locations at any time.

d. Hybrid-A combination of face-to-face meetings and synchronous and/or asynchronous class sessions.

e. Online-Students access all course materials online through the learning management system: there are no requirements for face-to-face sessions. Online courses will include synchronous and/or asynchronous methods of delivery.

10.4 ACADEMIC INTEGRITY POLICY [Revised 11/5/2013, COE Steering Committee for 2013-2014 only]

10.4.1 **Policy:** Personal integrity is a behavioral expectation for all members of the Messiah College community: administration, faculty, staff, and students. Violations of academic integrity are not consistent with the community standards of Messiah College. These violations include:

10.4.1.1 Plagiarism. Submitting as one's own work part or all of any assignment (oral or written) which is copied, paraphrased, or purchased from another source, including on-line sources, without the proper acknowledgment of that source. Examples: failing to cite a reference, failing to use quotation marks where appropriate, misrepresenting another's work as your own, etc.

10.4.1.2 Cheating. Attempting to use or using unauthorized material or study aids for personal assistance in examinations or other academic work. Examples: using a cheat sheet, altering a graded exam, looking at a peer's exam, having someone else take the exam for you, sharing information about exams, using any kind of electronic mobile or

storage devices (such as cell phones, PDAs, Blackberry, iPods, iPhones, iPads, Flash drives, DVDs, CDs, photocopy pens) for unapproved purposes, communicating via email, IM, or text messaging during an exam, using the internet, sniffers, spyware or other software to retrieve information or other students' answers, etc.

- 10.4.1.3 Fabrication. Submitting altered or contrived information in any academic exercise.
- 10.4.1.4 Misrepresentation of Academic Records. Tampering with any portion of a student's record. Example: forging a signature on a registration form or change of grade form on paper or via electronic means.
- 10.4.1.5 Facilitating Academic Dishonesty. Helping another individual violate this policy. Examples: working together on an assignment where collaboration is not allowed, doing work for another student, allowing one's own work to be copied.
- 10.4.1.6 Computer Offenses. Altering or damaging computer programs without permission. Examples: software piracy, constructing viruses, introducing viruses into a system, copying copyrighted programs, purposely disconnecting from the internet to cause a lock on an online exam, using the learning management system for purposes for which it was not intended, etc.
- 10.4.1.7 Unfair Advantage. Attempting to gain advantage over fellow students in an academic exercise. Examples: lying about the need for an extension on a paper, destroying or removing library materials, etc.
- 10.4.2 **Education Regarding Academic Integrity Policy**. Messiah College is responsible to clearly articulate the Academic Integrity Policy to students by publishing it in the graduate student handbook. Faculty should reference the policy in their course syllabi. However, primary responsibility for knowledge of and compliance with this policy rests with the student.

- 10.4.3 **Records of Violations of Academic Integrity.** As the custodian for student education records, the Registrar will maintain records of academic integrity violations for all students in accordance with the College’s Schedule for Records Retention.
- 10.4.4 **Procedures for Perceived Violations of Academic Integrity**
- 10.4.4.1 If a violation of the Academic Integrity Policy is suspected, the faculty member should discuss the incident with the student (s) and determine to the faculty member’s satisfaction whether or not a violation has occurred.
- 10.4.4.2 If the faculty member determines that it is more likely than not that the student is innocent, the student should be informed of this determination in writing. No report of the incident or of the faculty/student meeting should be filed with the Associate Provost for Graduate and Nontraditional Programs.
- 10.4.4.3 If the faculty member determines that it is more likely than not that a violation has occurred, he/she should send a formal report to the student and copy the Associate Provost for Graduate and Nontraditional Programs and his/her Program Director. The formal report should include a complete description of the incident, including date of the violation, the nature or type of the violation, and the nature and type of evidence. The formal report should also include appropriate sanctions. The Associate Provost for Graduate and Nontraditional Programs will send copies of the faculty member’s report to the student’s advisor(s). In the event a violation of the Academic Integrity Policy is suspected by the Director who also serves as the Associate Provost for Graduate and Nontraditional Programs, the Provost will serve in the Associate Provost’s role as described in the Academic Integrity violation and appeal policy.
- 10.4.4.4 The faculty member should keep originals of tests and papers that provide evidence of the violation.
- 10.4.4.5 With issues related to computer offenses or misrepresentation of academic records, the case may be referred to the Associate Provost for Graduate and Nontraditional Programs for processing.
- 10.4.4.6 If a staff member or an administrator discovers violations of the Academic Integrity Policy, he/she should contact the Associate Provost for Graduate and Nontraditional Programs, who will contact the student.
- 10.4.4.7 The student may appeal in writing to the graduate program in which the course is offered. A student’s intent to appeal a faculty member’s response to a violation must be communicated to the Program Director in writing within one week of the receipt of the written notification from the faculty member dealing with the incident. The faculty member filing the initial report of a violation should be recused from the program committee handling the appeal. **The program committee should be comprised of faculty members from its own graduate program and include at least three individuals. In the event a program has fewer than three faculty members, directors of other graduate programs will supplement the existing group in order to reach a minimum of at least three committee members hearing a student appeal.**

- 10.4.4.8 The student may appeal the decision of the graduate program in writing to the Associate Provost for Graduate and Nontraditional Programs, whose decision will be final. **In the event the graduate program processing an appeal is also a graduate program that is directed by the Associate Provost for Graduate and Nontraditional Programs, the student may appeal the decision in writing to the Provost.**
- 10.4.5 **Procedures for Multiple or Egregious Violations of Academic Integrity**
- 10.4.5.1 If the student has committed two or more violations of academic integrity, or if the Associate Provost for Graduate and Nontraditional Programs determines that the violation is egregious, the Associate Provost for Graduate and Nontraditional Programs will meet with the student who has committed the violation. Unless the violation is egregious, this meeting will take place after the appeals process ends.
- 10.4.5.2 The Associate Provost for Graduate and Nontraditional Programs will consult with the faculty member who first determined that a violation had occurred; with that faculty member's Program Director; and with the Director of the student's program of study, if other than the Director of the program in which the violation occurred. The Associate Provost for Graduate and Nontraditional Programs will determine appropriate sanctions.
- 10.4.5.3 The Associate Provost for Graduate and Nontraditional Programs will notify the student in writing of the sanctions determined, and send copies to the student's advisor(s), and to the Director of the student's program of study, if other than the Director of the program in which the violation occurred.
- 10.4.5.4 The student may appeal the decision of the Associate Provost for Graduate and Nontraditional Programs in writing to the Provost, whose decision will be final. **In the event the student's initial appeal was heard by the Provost due to the Associate Provost for Graduate and Nontraditional Programs being recused from the process, the student may appeal the Provost's decision in writing to the President.**
- 10.4.6 **Penalties for Violations of the Academic Integrity Policy**
- 10.4.6.1 In all instances of violations of the Academic Integrity Policy, the faculty member will assign sanctions within the context of the course. If the violation is a second offense, or is determined to be an egregious offense, the Associate Provost for Graduate and Nontraditional Programs will assign appropriate sanctions that go beyond the course. In the case of an egregious offense, the Associate Provost for Graduate and Nontraditional Programs may temporarily suspend the student before and during any appeal process.
- 10.4.6.2 For a non-egregious first offense, a faculty member may exercise broad discretion when responding to violations of the Academic Integrity Policy. The range of responses may include failure of the course to a grade reduction of the given assignment. The typical consequence for violations will be failure of the assignment. Some examples of serious offenses which might necessitate the penalty of the failure of the course include cheating on an examination, plagiarism of a complete assignment, etc.

- 10.4.6.3 The policy of the College is to act, whenever possible, in redemptive rather than merely punitive ways. We believe that simply to ignore an offense is to be neither loving nor redemptive. Consequently, if a second report of a violation of the Academic Integrity Policy is received, or if the Associate Provost for Graduate and Nontraditional Programs determines the violation to be egregious, the range of possible responses includes suspension of the student, disciplinary probation, or other appropriate sanctions.

Time and Record-Keeping Considerations

- 10.4.7.1 Academic integrity violations should be processed in a timely manner:
- 10.4.7.1.1 Faculty should report academic integrity violations within a week of their discovery.
- 10.4.7.1.2 Student appeals must be filed within a week of receiving the written report of an academic integrity violation.
- 10.4.7.1.3 The recipient of student appeals should acknowledge receipt of the appeal within one week.
- 10.4.7.2 Timing constraints only apply when school is in session, but processing of violations may continue during breaks.
- 10.4.7.3 When violations occur at the end of the semester or term, faculty may file a grade of incomplete until the investigation and possible appeals are complete.
- 10.4.7.4 Academic Integrity Violations will continue to be processed if the student withdraws from the course in which the violation occurred.
- 10.4.7.5 Academic Integrity Violations may be reported within one semester after the course if first discovered at that time.
- 10.4.7.6 The final results of all Academic Integrity investigations, including all appeals, should be filed with the Registrar.
- 10.4.7.7 A record of academic integrity violations will be maintained by the Registrar in accordance with the College's Schedule for Records Retention. However, undergraduate records will not count against students who return as graduate students.
- 10.4.7.8 The Associate Provost for Graduate and Nontraditional Programs will notify the faculty member filing the report and the student's advisor(s) of the results of all appeals. In the case of multiple or egregious violations, the Associate Provost for Graduate and Nontraditional Programs will also notify the Director of the student's program of study, if other than the Director of the program in which the violation occurred, of the results of any appeal.
- 10.4.7.9 On-campus program areas conducting required background checks of students (for example, teacher certification, professional advisor) should submit the students' names and ID numbers to the Registrar's office for clearance. The Registrar will determine that an appropriate need to know exists under FERPA guidelines.
- 10.4.7.10 If a Director and the Registrar have established that that Director has an on-going need to know about academic integrity violations, the Registrar will automatically notify the Director of any violations by students in that program of study after all appeals are resolved.

10.5 ADVISING

10.5.1 **Academic Advising** is an essential process in the college setting. Upon entering Messiah College, every matriculated student is assigned a faculty academic advisor who, through experience, professional background, and example, is qualified to assist the student in planning the coursework for the program of study, in developing strategies for academic success, and in providing guidance and information in preparation for the student's career and life goals.

10.5.1.1 Academic advisors are available during their regularly scheduled office hours or virtual office hours or by appointment at other times. In addition, a student may communicate with his or her advisor any time by email. A reasonable response time is two to three business days.

10.5.1.2 While academic advising assists students in their academic planning, it is ultimately the student's responsibility to meet the academic requirements for graduation. Each student is expected to meet regularly with his or her advisor to discuss the development and implementation of a plan of short and long-term academic goals. The final responsibility in meeting graduation requirements, however, rests with the student.

10.6 ADMISSION REQUIREMENTS

10.6.1 **Degree-Seeking Students.** The minimum requirements for all students seeking admission into graduate programs for the purpose of earning a degree include the following:

- a. Bachelor's degree from an accredited institution
- b. Completed application and the application fee (The application fee is waived for students who have graduated from Messiah College.)
- c. Official transcripts from all colleges or universities attended (Graduate Programs will secure Messiah College transcripts for all Messiah College graduates who sign the release included in the application. Applicants are responsible for securing all other transcripts.)
- d. Cumulative GPA of 3.00 or above
- e. General admission essay (included in the application)
- f. Two recommendations
- g. Résumé or curriculum vita

10.6.2 **Non-Degree Seeking Students.** The minimum requirements for all students seeking admission to take graduate courses for the purpose of a Certificate of Advanced Graduate Studies (CAGS), Personal Enrichment, Act 48 credit, or other purposes not leading to a degree include the following:

- a. Bachelor's or Master's (for CAGS) degree from an accredited institution
- b. Completed application and the application fee (The application fee is waived for students who have graduated from Messiah College.)
- c. Official transcripts from all colleges or universities attended (The Graduate Program will secure Messiah College transcripts for all Messiah College graduates who sign the release included in the application. Applicants are

responsible for securing all other transcripts.)

- d. A minimum 3.00 GPA is not required for non-degree seeking students.
- e. Any student changing from non-degree seeking to degree seeking must fulfill the admission requirements for degree seeking students.

10.6.3 **Other Admissions Considerations**

- a. Messiah College is not certified as an F-1 school at the graduate level. Therefore, only applications submitted by U.S. citizens can be considered.
- b. Additional admission requirements may be required by each individual program.

10.7 CLASS ATTENDANCE

Messiah College expects all students to attend scheduled classes regularly in order to maximize opportunities to profit from a professor's expertise and from interchange with their peers, as well as to contribute to the quality of intellectual interchange in the classroom, whether traditional or virtual.

Regular attendance is expected throughout the duration of the course. For online courses, a student's presence is evidenced by active and meaningful participation in virtual chats, discussion board assignments, synchronous and asynchronous class meetings, and any other threaded discussions/assignments required by the professor. Lack of participation may result in a student being marked absent for a class session, or failure in the course if he/she does not properly withdraw.

Having a substitute participate in the registered student's place is a violation of the College's academic integrity policy. Punctual and regular attendance at classes is expected except when a student is prevented from doing so by illness, death in the family, or a similar emergency. Individual course regulations about class attendance are left to the discretion of the instructor. Attendance regulations should be conveyed to students at the beginning of the semester and must be delineated in the syllabus.

- 10.7.1 Punctual and regular **attendance at classes** is expected when a student is prevented from doing so by illness, death in the family, or a similar emergency. Individual course regulations about class attendance are left to the discretion of the instructor. Attendance regulations should be conveyed to students at the beginning of the semester and must be delineated in the syllabus.

10.8 CLASSIFICATION OF STUDENTS [Revisions approved by Graduate Council, 1/17/12]

10.8.1 **Degree Seeking Students.** Applicants who have fulfilled all of the admission requirements and are moving toward candidacy for a master's degree as described in the official letter of acceptance.

10.8.2 **Provisionally Admitted Students.** Applicants who have submitted all graduate school application materials except official transcripts or letter(s) of reference may be provisionally admitted to Messiah College. Those with provisional status have one semester to submit all of the required admissions materials. The student will not be eligible to register for a second semester until the provisional designation is removed. Any request for an exception to this registration block must be submitted to the Director/Program Coordinator.

10.8.3 **Conditionally Admitted Students.** Applicants whose application does not meet the criteria for degree-seeking or non-degree seeking students, but who appear to have the capability to successfully complete graduate courses may be admitted to Messiah College on a conditional admittance status. A conditionally admitted applicant must satisfy the conditions of his/her admittance in order to be reviewed for degree-seeking status. The specific conditions and length of time permitted to meet the stated conditions shall be detailed in a letter from the Director/Program Coordinator or Admissions Committee of the student's chosen program.

10.8.4 **Non-degree Seeking Students.** Applicants who meet all requirements for admission to a specific graduate program, but who do not intend to pursue an advanced degree at Messiah College may enroll as a non-degree seeking student. (Note: Not all programs admit non-degree seeking students). This classification includes students who may be taking graduate courses for transfer credits, personal enrichment, professional development credits, Act 48, continuing education or licensing requirements, etc. Students may take up to 15 credits as a non-degree seeking student. Any student changing from non-degree seeking to degree seeking must fulfill the admission requirements for degree seeking students prior to proceeding beyond the 15 credit limit for non-degree seeking students.

10.9 INFORMATION SECURITY

10.9.1 **The Chief Information Officer** provides oversight for the College's information security. This plan complies with the Family Educational Rights and Privacy Act (FERPA) and the Gramm-Leach-Bliley Act (GLB Act). The intent is to guard against the unauthorized access to, or use of, such information that could result in substantial harm or inconvenience to any student. (*The details of the College's Computing Access and Data Security policies are available through McSquare, Information Services Channel.*)

10.9.2 **Risk of operational areas.** The following have been identified as operational areas considered when assessing the risks to the confidentiality and security of student

information:

- Employee training and management
- Information systems, including network and software design, as well as information processing, storage, transmission and disposal
- Detection, prevention and response to attacks, intrusions, or other information system failures

10.9.3 **Offices with access** to confidential student information include:

Academic Computing	Faculty
Academic Deans	Financial Aid
Administrative Computing	Human Resources
Admissions	Institutional Research
Alumni	Payroll
Athletics	Registrar
Business Office	Safety and Security
Disability Services Office	Student Affairs
EpiCenter	
Engle Center for Counseling and Health Services	

10.9.4 **Responsibility.** Each relevant area is responsible to secure student information in accordance with all privacy guidelines. Messiah College will select appropriate service providers that are given access to customer information in the normal course of business and will contact with them to provide adequate safeguards.

10.9.4.1 Faculty are prohibited from sharing individual student records in any public setting that could compromise the student's privacy rights. Examples include:

- a. Posting a list of grades on an office door where a student's grade is personally identifiable by use of student name, any portion of the student's social security number, or any portion of the student's College issued identification number.
- b. Leaving a stack of graded assignments outside an office for pick up by the students.
- c. Posting any personally identifiable educational record information (e.g. grades; semester schedule; academic advisor, etc) in a public online setting (e.g. online forum; web page, etc).

10.9.5 **The Family Educational Rights and Privacy Act** afford students the right to: review their education records within 45 days of the University's receipt of the request; request an amendment of the education records that are believed to be inaccurate; and consent to disclosures of personally identifiable information contained in education records, except to the extent that FERPA (the law) authorizes disclosure without consent. A student may file a complaint with the U.S. Department of Education concerning alleged failures to comply with the requirements by writing to Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, D.C. 20202-4605. (*The details of the College's Computing Access and Data Security policies are available through McSquare, Registrar's Channel.*)

10.10 COPYRIGHT CLEARANCE REQUEST PROCESS

10.10.1 **When Copyright Permission Clearance Is Not Required.** Copyright clearance is not required if all of the following conditions are met.

10.10.1.1 Single Copying for Faculty Use. A single copy may be made of any of the following by faculty for scholarly research or use in teaching or preparation to teach a class:

- a. A chapter from a book.
- b. An article from a periodical or newspaper.
- c. A short story, short essay, or short poem, whether or not from a collective work.
- d. A chart, graph, diagram, drawing, cartoon, or picture from a book, periodical, or newspaper.

10.10.1.2 Multiple Copies for Classroom Use. Multiple copies (not to exceed more than one copy per student per course) may be made by or for faculty for classroom use or discussion, provided that:

- a. The copying is spontaneous.
- b. The copying is used only once in a single course. If the material has been used in the course before, copyright clearance must be obtained.
- c. The same author is represented only once, i.e., only one selection per author.
- d. No more than three selections are used from a collective work or periodical volume.
- e. No more than nine instances of multiple copying occur for one course during one term.
- f. Each copy includes notice of copyright, e.g.: Modern Physics and Ancient Faith by Stephen M. Barr. © 2003 by University of Notre Dame. Notre Dame, Indiana 46556. Used by permission of the publisher.

10.10.1.3 Materials placed on Library Reserve.

- a. A single photocopied article can be placed on reserve without copyright clearance provided the article is limited to no more than one chapter from a book, one entire article, or one poem. To place more than a single copy on reserve, copyright clearance is required.
- b. The copy must be made directly from the original source and cannot be a second generation copy (a copy of a copy).
- c. Any articles used for more than one semester must have copyright clearance obtained.
- d. Copyright clearance is not required to place an entire book or journal on reserve.

10.10.2 **When Copyright Permission Clearance Is Required.** Copyright Clearance Request Forms may be obtained in the Faculty Services office, on the Faculty Services Website, or on the Faculty Services Channel in MC Square (portal).

10.10.2.1 *Coursepacks Sold in the Textbook Express.*

- a. A completed Copyright Clearance Request Form or a typed bibliography of the materials to be included in the coursepack must be submitted to Faculty Services. The bibliography must include all the information included on the Copyright Clearance Request Form.
- b. Faculty Services will request copyright clearance to use the material via the Copyright Clearance Center website or by correspondence directly with the

publisher.

- c. Faculty Services will request approval of the copyright fees from the faculty member. Once approved, the permission is secured. If fees are not approved, the request is cancelled.
- d. The faculty member delivers the coursepack materials to Faculty Services along with a completed Coursepack Work Requisition form.
- e. The materials are scanned, edited and stored electronically for future use.
- f. Copyright charges are incorporated into the purchase price of the coursepack.
- g. If a copy/copies of the coursepack are held for the faculty member, copyright fees for the copy/copies will be charged to the faculty member's department.
- h. A coursepack sold in the Textbook Express must always have copyright clearance obtained.

10.10.2.2 For Materials Which are to be Distributed in the Classroom.

- a. The first time fair use analysis will be completed on the material by Faculty Services.
- b. A completed Copyright Clearance Request Form must be submitted to Faculty Services.
- c. Faculty Services will request copyright clearance to use the material via the Copyright Clearance Center website or by correspondence directly with the publisher.
- d. Faculty Services will request approval of the copyright fees from the faculty member. Once approved, the permission is secured. If fees are not approved, the request is cancelled.
- e. The faculty member delivers the classroom handout materials to Faculty Services.
- f. The materials will be copied and returned to the faculty member by the date requested.
- g. The copyright fees will be charged to the faculty member's department.

10.10.2.3 For Materials to be Placed on Library Reserve.

- a. A completed Copyright Clearance Request Form must be submitted to Faculty Services.
- b. Faculty Services will request copyright clearance to use the material via the Copyright Clearance Center website or by correspondence directly with the publisher.
- c. Faculty Services will request approval of the copyright fees from the faculty member. Once approved, the permission is secured. If fees are not approved, the request is cancelled.
- d. Documentation of granted permissions must accompany all materials submitted at the library circulation desk. Faculty Services will provide the faculty member with the appropriate copyright clearance documentation.
- e. The copyright fees will be the responsibility of the faculty member's department.

10.10.2.4 Use of Copyrighted Work in Learning Management Systems/Online Courses.

- a. Online transmission of course content that includes display and performance of copyrighted works is governed by the federal Technology, Education and Copyright Harmonization Act (TEACH).
- b. The TEACH Act allows an accredited, non-profit educational institution to transmit performances and displays of copyrighted works as part of a course

without prior permission from copyright holders if certain conditions are met.

- 1) The TEACH Act allows the use in online course content the following works without prior permission:
 - a) performance of an entire non-dramatic literary or musical work
 - b) performance of a reasonable and limited amount of any other work (e.g., scene from a feature dramatic film or musical comedy)
 - c) display any other work in an amount comparable to that displayed in a live class (e.g., photos of sculpture or paintings).
- 2) It is important to remember that in order to transmit an entire dramatic, literary, or musical work (e.g., feature film, opera, musical comedy) which is not in the public domain, the instructor must have prior permission from the copyright holder or public performance rights (PPR) for the work.
- c. Faculty members should contact Media Services to help them ascertain whether the College holds PPR for a copyrighted work in the College's collection and determine the format(s) available. Permission must be granted if a conversion of the format is necessary for streaming.
- d. Assistance in requesting permission from a copyright holder through the copyright clearance process is available from Faculty Services.
- e. Faculty members are responsible to assure that the copyrighted work being displayed is:
 - 1) Used at the direction of or under the supervision of the course instructor
 - 2) An integral part of a class session
 - 3) Part of systematic, mediated instructional activity
 - 4) Directly related to the teaching of the course
 - 5) Not a copy which the faculty member knows or should reasonably know was made or acquired illegally
 - 6) Not produced by someone else primarily for performance or display as part of instructional activities transmitted via digital networks.
- f. The TEACH Act requires that we provide notice to students that materials used in connection with the course may be subject to copyright protection.
 - 1) Any document placed in Sakai (LMS) Resources has the option to clarify copyright status of the document.
 - 2) The faculty member also has the option to set a copyright alert that will indicate the criteria on how the material is to be utilized. The students must agree to the criteria in order to view the material.
 - 3) In addition, the following wording can be used on the Course Home Page (Site Info): *The materials on this course website are only for the use of students enrolled in this course for purposes associated with this course and may not be retained or further disseminated.*
- g. The TEACH Act also requires technical safeguards be in place before copyright works can legally be transmitted as part of online courses. To satisfy the law, we are obliged to use reasonable measures to prevent students from saving, copying, or sharing the material. Possible safeguards are:
 - 1) password protection of copyrighted material so that only students enrolled in the on-line course have access
 - 2) limitation of the time that the material is posted to a site
 - 3) streaming of the video

- 4) use of HTML coding to prevent downloading and copying
- h. When a course requires that students view an entire work, it may be advisable to require that students obtain and watch the work on their own. Many DVD's are available online with closed captioning at <http://www.amazon.com/> or <http://www.netflix.com/Register>. Instructors should post in the course syllabus and on the web that acquisition and viewing of the work by the student is a requirement of the course.
- i. Copyright clearance must be obtained to post copyrighted documents in learning management systems/on-line courses.
 - 1) A completed Copyright Clearance Request Form must be submitted to Faculty Services.
 - 2) Faculty Services will notify the faculty member of the copyright fees.
 - 3) The faculty member approves/disapproves the copyright fees and then permission is secured for the material(s).
 - 4) The duration of the posting is required when requesting permission from Faculty Services. The duration of posting the document can also be set in your LMS course.
 - 5) Faculty Services can make a .pdf file of the material to be posted.
 - 6) The faculty member's department is responsible for copyright charges.
 - 7) Note: Links to articles on the Internet can be placed in a learning management system environment with no copyright clearance required.

10.11 COURSE LISTING AND NUMBERING

10.11.1 **Course Numbering System.** Courses are listed by department; the alpha prefix in the course number indicates in which department and discipline the course is offered. The course numbering is to be interpreted by the following principle: All courses numbered at a 500, 600, 700, or 800 level. These numbers represent a progression in academic rigor and expectation.

10.11.2 **Cross-Listing of Courses.** Cross-listed courses have multiple department prefixes for the same course. Students register for the course under the prefix for which credit is to be given.

10.12 DIRECTED AND INDEPENDENT STUDIES [Changes approved by COE Senate, 2/28/11]

10.12.1 **Directed Study.** Directed study is available to graduate students who need to complete a catalogued course at a time other than when it is offered. Each study must be done under the supervision of a qualified faculty member who will communicate regularly with the student during the study. Directed studies will only be approved for situations that present extenuating circumstances. Students are expected to make every effort to enroll in required courses at their regularly-scheduled times.

- a. The student initiates his/her request for a directed study with the Director/Program Coordinator. The Director/Program Coordinator determines if the request is appropriate and whether or not the course can be staffed.
- b. If the Director/Program Coordinator approves the request, then he/she completes the Directed Study form, obtains the required signatures and forwards it to the Registrar's Office for processing. Once the student is registered for the course, the Registrar's Office returns the original Directed Study form to the Director/Program Coordinator, who maintains a copy for his/her file and forwards a copy to the student, the course instructor, and the Dean.
- c. Grades are submitted by the faculty member to the Registrar along with the other grades at the end of the term.

10.12.2 **Independent Study.** Independent study is available to graduate students who wish to explore a particular area of study outside of the graduate curriculum. Projects must be carefully designed and directed toward a specific goal under the direction of a qualified faculty member who communicates regularly with the student during the study.

- a. The student initiates his/her request for an independent study with the Director/Program Coordinator. The Director/Program Coordinator determines if the request is appropriate and whether or not the course can be staffed.
- b. If the Director/Program Coordinator approves the request, then he/she completes the Independent Study form, obtains the required signatures and forwards it to the Registrar's Office for processing. Once the student is registered for the course, the Registrar's Office returns the original Independent Study form to the Director/Program Coordinator, who maintains a copy for his/her file and forwards a copy to the student, the course instructor, and the Dean.
- c. Grades are submitted by the faculty member to the Registrar along with other grades at the end of the term.

10.13

COURSE SYLLABI [Changes approved by COE Senate, 5/2/11]

10.13.1

Syllabus content. Faculty members must file the syllabus for each course with their respective Program Coordinators/Directors and the Office of the Provost as soon as possible after the beginning of each semester. It should include the following:

- a. Course Title and Number
- b. Course Dates/Semester. Include beginning and ending dates for online courses.
- c. Faculty Contact Information and Availability. Name, phone, email, Skype, Twitter, etc. and availability (office hours), as well as a clear statement of when and how to contact the faculty.
- d. Faculty Expectations of Students. Information about the faculty member's expectations about student responsibility regarding items like participation, class attendance, field experiences, delivery format, time commitment each week, and out-of-class time.
- e. Course Description. As listed in the College Catalog or on the Web.
- f. Course Objectives. A clear statement of course objectives as approved by the program within which the course is housed.
- g. Course Materials. The names of textbooks, subscriptions, major library reference works, and the titles of any films which will be used.
- h. Course Requirements. A clear statement of each course requirement. This statement should include expectations for papers, projects, etc.
- i. Grading. The weight that each requirement has in determining the final grade; and criteria used for grading each requirement.
- j. Course Policies. A clear statement regarding the faculty member's policy for such items as makeup work, absence, time extensions, returning graded papers/tests, and giving feedback to the student about the quality of his/her performance.
- k. Course Outline/Schedule. A content outline of the material to be covered and information about the forms or methods of evaluation that will determine to what extent course objectives are achieved. In addition, a timeline indicating due dates of assignments, presentations, forum posts, etc. is expected to be included in this section.
- l. Academic Integrity Policy. Include a link to the Academic Integrity Policy.
- m. ADA Statement. Include the entire text of the policy as follows:

AMERICANS WITH DISABILITIES ACT: Any student whose disability falls within ADA guidelines should inform the instructor at the beginning of the semester of any special accommodations or equipment needs necessary to complete the requirements for this course. Students must register documentation with the Office of Disability Services. Contact DisabilityServices@messiah.edu or (717) 796-5382.
- n. Assistance (Library Liaison, Writing Center, Learning Center) – Provide specific information as applicable.
- o. Statement on Confidentiality. Each course must include the following statement:

“Students may be asked to post written work and engage in written dialog with other class members within an LMS. The student should be aware that although confidentiality within the course environment is encouraged, it is possible that

users in and outside the course may have access to course content.”

- p. Statement of Copyright Protection. Include the following statement, “The materials in this Messiah College course are only for the use of students enrolled in this course for purposes associated with this course and may not be further disseminated.”

10.13.2 **Syllabus availability.** Syllabi should be posted within the College’s Learning Management System for ease of access.

10.13.3 **Copyright costs.** Appropriate permission in accordance with Messiah College policy must be gained to use any copyrighted material. Costs incurred in securing such permission should be incorporated into the price of the course materials.

10.13.4 **Syllabi for Online Courses.** Syllabi for online courses must meet the content requirements which apply to syllabi for all courses as well as the following criteria:

- a. Instructional Time (mandated by the State): Online courses must separate Instructional Time activities from Non-Instructional Time activities. Each credit hour requires 14 hours of classroom instruction. A typical three-credit course would require a minimum of 42 hours of classroom instruction. For each hour in the classroom, students can expect to complete two hours of non-instructional time, or “homework.” Class time + homework time = Time commitment for the course. Time commitment divided by the number of weeks in the course equals the number of hours required each week. What follows is a partial example of a three-credit course being offered in an eight-week term. (In this example, instructional time should be about 5.25 hours/week and non-instructional time should be about 10.5 hours/week when averaged over the course of eight weeks.)

Week	Topic Assignment	Hours (No. of weeks)		Objectives Met/Tasks
		IT	N-IT	
May 15-22	Research Process			
	Read Smith, Chs. 1-4		3	1-10
	Read Jones, Chs. 3-6		4.5	10
	Narrated PowerPoint & Video Clips	2.5		1-10
	Articles in Sakai		2	
	Read, Post & Respond in Forum I	2		1,2,4 & 6
	Quiz 1 (with feedback)	1.5		1,2,4 & 6
May 23-29	Identify Research Problem			
	Read Smith, Chs 5-9		5.5	1-10
	Narrated PowerPoint & Video Clips	1.5		1-10
	Quiz 2 (with feedback)	1.5		1,2,4 & 6
	Digital Samba	2		1-10
	Proposal Due (5/29)		4-6	1,2,4 & 10

May 30 – June 5	Research Questions & Hypotheses			
	Read Smith, Chs 10-15		4.5	1-10

COMMUNITY OF EDUCATORS HANDBOOK

	Read, Post & Respond in Forum 2	2		1,2,4, & 6
	Watch Video	2		1-10
	Response Paper for Video		2	1-10
	Digital Samba/Presentations	2		1,2,4 & 10
	Identify research questions & hypotheses for three journal articles		4	

1. **Instructional Time.** The activities that are the equivalent to Classroom Instruction would best be:
 - i. Directly related to the objectives of the course/program
 - ii. Be measureable for grading purposes
 - iii. Have the direct oversight or supervision of the faculty member teaching the course
 - iv. In some form be the equivalent of an activity conducted in the classroom
2. **Non-Instructional Time.** The following activities are **not** the equivalent of Classroom Instruction as taken directly from the policy:
 - i. Homework assignments
 - ii. The amount of time the student spends accomplishing a task

Messiah College Examples of Equivalent Classroom Instruction	Items that are not the Equivalent of Classroom Instruction
Faculty supervised ice breakers	Time spent researching and writing papers
Lectures via synchronous software	Group work that is unsupervised by faculty
PowerPoint presentations	“Homework”
Faculty supervised forums	Final exams
Video (lecture, clips, full length films) that directly relate to the objectives of the course	Assigned readings
Quizzes and tests when feedback is provided	Practice quizzes
Feedback on assignments	
Faculty supervised group work	
Collaboration through the use of synchronous software or through the use of a wiki	
Use of guest speakers through audio, video, or as part of a forum	
For courses that have a lab component, those tasks that would normally be done in the (computer) lab	

- b. **Minimum Hardware and Software Requirements.** Include a link to the minimum system requirements policy as well as any specific requirements for the course.
- c. **Minimum Computer Skills.** Include a clear statement regarding the technology skills required, i.e., “Students must possess basic computer skills and have regular access to a computer with the Minimum System Requirements in order to participate fully.”
- d. **Technology Support.** Include a link to Student Technical Support.

- 10.14 CREDIT AND LOAD** [Changes approved by COE Senate, 2/28/11]
- 10.14.1 **Definition of Credit Hour.** A credit hour is a unit of academic work consisting of a minimum of 14 contact hours of classroom instruction, or its equivalent, over the period of the learning session. In addition to the hours of classroom instruction (or its equivalent), the student is expected to invest two to three hours for each contact hour of instruction. A studio credit hour will consist of a minimum of 24 contact hours of classroom instruction, or its equivalent, over the period of the learning session.
- 10.14.1.1 **Definition of a contact hour.** A contact hour consists of 50 minutes of instruction. The contact may take place in a classroom or laboratory setting; online where the learners and faculty member are engaged in the instructional process; or within the context of experiential settings, e.g., practicum, internship, clinical and student teaching. A studio contact hour consists of 86 minutes of instruction.
- 10.14.2 **Full-Time Status.** Effective July 1, 2011, graduate students who carry an academic load of 6 or more credit hours in a semester are considered full-time students and may be eligible for financial aid as full-time students.
- 10.14.3 **Three-quarter status:** Graduate students who carry an academic load of at least 4 credits but less than 6 credits are considered three-quarter-time students. They are eligible for any financial aid open to three-quarter time students.
- 10.14.4 **Half-Time Status.** Graduate students who carry an academic load of 3 credit hours in a semester are considered half-time students and may be eligible for any financial aid open to half-time students.
- 10.14.5 **Less Than Half-Time Status.** Graduate students who carry an academic load less than 3 credit hours in a semester are considered less than half-time students and may be eligible for financial aid that is less than half-time students.
- 10.15 FACULTY ABSENCES**
- 10.15.1 **Expectations.** Faculty members are expected to provide all instruction in their contracted courses.
- 10.15.2 **Illnesses.** When illness or some emergency unexpectedly prevents a faculty member from meeting a class, the Program Coordinator/Director and/or that individual's Assistant should be notified as promptly as possible.
- 10.15.3 **Responsibility.** Beyond the responsibility of providing instruction, Ranked Faculty in the graduate program have the same responsibilities as Ranked Faculty in the undergraduate program as specified in the *Community of Educators Handbook*.

- 10.16 REGISTRATION** [Changes approved by COE Senate, 2/28/11]
- 10.16.1 **First Semester Registration**
- 10.16.1.1 Students admitted to the College formally register for classes through the academic advisement process. Prior to registration, students must ensure their accounts are up to date with the Business Office and their health records file is current with the Engle Center for Counseling and Health Services. Any student not in compliance with these requirements will be blocked from registration.
- 10.16.1.2 Procedure.
- Registration materials, including the Schedule of Classes, are distributed to current students around April 1.
 - Students will discuss recommended course selections for the upcoming registration with their academic advisor. The student and advisor should keep a copy or record of the courses approved for registration.
 - Subsequent to the advisement meeting, the advisor releases the advisor hold on registration via self-serve Banner and the student should register for the courses at the appropriate time.
- 10.16.1.3 Uniformity of procedure is required to handle the large volume of students and ensure fairness to all students. Advisor's approval is required to ensure the student is taking courses appropriate to his/her program, interests, and abilities. Proof of payment is required to ensure that students do not build up large balances which they are unable to pay. Clearance from the Engle Center for Counseling and Health Services is required to ensure that all health records are complete and accurate for each student in case of emergency.
- 10.16.2 **Second Semester Registration.** Registration procedures for the second semester are similar to the fall registration procedures. Registration materials are distributed to current students around November 1.
- 10.16.3 **Third Semester Registration.** Registration procedures for the third semester are similar to the fall registration procedures. Registration materials are distributed to current students around April 1.
- 10.16.4 **Drop/Add (Change in Registration).** Once the term has begun, permission of the instructor and advisor is required to add a course. Approvals will result in a late registration fee.
- 10.16.5 **Maximum Credits Per Semester** [Approved 2/24/14, Graduate Council]. Graduate students are permitted to schedule up to 18 credits per semester (fall, spring, summer). Any student who wishes to take more than 18 credits per semester must first obtain approval from his/her academic advisor, the director of the program and the Registrar.

10.17 REPEATING COURSE WORK

10.17.1 **Repeating a Course at Messiah College.** [Passed by Grad Council 4.25.16] Only the most recent occurrence of a course grade will be used in the calculation of the grade point average. b. All occurrences of repeated courses will be marked on the transcript. c. The credits earned for the first grade remain in the term and cumulative calculations until completion of the repeated course. At the end of the part of term in which the course is repeated, only the credits earned for the second grade are used in the calculation of the student's cumulative GPA and total credits earned. d. Students need to be advised of possible financial aid consequences of repeating courses for which credits have been earned.

10.17.2 **Repeating a Course at Another Institution.** [Passed by Grad Council 4.25.16] Courses taken at Messiah College may not be taken at another institution and transfer it to Messiah College to fulfill a requirement in their program.

10.18 STANDARDS OF SCHOLARSHIP. [Passed by Grad Council 4.25.16] The following academic standards of scholarship apply to all degree and non-degree seeking graduate students.

10.18.1 **Satisfactory Academic Progress - Good Academic Standing.** [Passed by Grad Council 4.25.16] A student must maintain a minimum cumulative grade point average (GPA) of 3.00 (as calculated at the end of a semester) to remain in good academic standing at Messiah College.

10.18.2 **Academic Probation.** [Passed by Grad Council 4.25.16] Students who do not maintain a cumulative GPA of 3.00 or higher (as calculated at the end of a semester) will be placed on academic probation. In addition, students who earn two final course grades of C (C+ or C) in graduate courses taken at Messiah College (regardless of cumulative GPA) will be placed on academic probation effective at the conclusion of the semester in which the second C (C+ or C) was earned. The registrar's office will notify the student in writing of the probation and will provide a copy of the communication to the program director and academic advisor. Students placed on academic probation are granted one graded semester to earn a cumulative GPA of 3.0 and be reinstated to good academic standing. Students who fail to earn a cumulative GPA of 3.0 or earn a third C (C+ or C) may be subject to dismissal. Some programs may require GPAs higher than the standard 3.0. Program specific GPAs and any additional requirements are maintained, published, and managed by individual programs.

10.18.3 **Dismissal for C Grades.** [Passed by Grad Council 4.25.16] Students who earn three final grades of C (C+ or C) will be academically dismissed from the College effective at the conclusion of the part-of-term in which the third C (C+ or C) was earned.

10.18.4 **Dismissal for Failing Grade.** [Passed by Grad Council 4.25.16] Students who earn a final grade of F, including a fail in a pass/fail course, in any graduate course at Messiah

College will be academically dismissed from the College effective at the conclusion of the part-of-term in which the failing grade was assigned.

10.18.5 **Readmission Policy.** Students who have not been enrolled in courses at Messiah College for two years or more must re-apply for admission to the graduate program by completing the full application required of the requested program. Applications for admission are available at www.messiah.edu/gradprograms “Apply Now.”

10.18.6 **Deferred Admission Policy.** Application for admission to graduate programs at Messiah College should be made no more than one year in advance of the applicant’s anticipated start date. A student may defer his/her enrollment in a specific program for up to one year from the date of the initial acceptance.

10.18.7 **Academic Probation and Dismissal**

10.18.7.1 Academic Probation. At the end of a semester, if a student fails to maintain the minimum cumulative GPA for good academic standing or has earned a total of two C grades (C+ or C) in any graduate courses the student will be placed on academic probation. The Registrar will notify the student in writing of the probation and will provide a copy of the communication to the Program Director/Coordinator. Students on academic probation will have one semester in which they are registered to be reinstated to good academic standing. Students who fail to meet the conditions of their academic probation are subject to dismissal.

Some programs may require higher standards than listed above because of requirements imposed by accreditation agencies, state regulations or requirements to move to higher level courses. All such requirements are maintained, published, and managed by the program requiring the higher standards.

10.18.7.2 Dismissal for C Grades
Students may only earn two C grades (C+ or C) in any graduate courses taken at Messiah College. This includes any courses that have been repeated and replaced with a higher grade. Students who earn three C grades (C+ or C) will be academically dismissed from the College. A course in which a student received a C grade(C+ or C) may not be taken at another institution and transferred in to Messiah College to fulfill that specific course requirement in the student’s program.

10.18.7.3 Dismissal for Failing Grade
Students who earn a failing grade in any graduate course taken at Messiah College will be academically dismissed from the College effective at the conclusion of the part of term in which the failing grade was assigned. Such courses will not be permitted to be taken at another institution and transferred to Messiah College.

10.18.7.4 Notice and Appeal for Academic Dismissal. The Registrar will notify the student in writing of the academic dismissal and will provide a copy of the communication to the Program Director/Coordinator. A student may appeal the academic dismissal within the time limit stated in the dismissal notification by filing a written petition with the Registrar stating the reason for the appeal. The student must also send a

copy of his/her appeal to the Program Director/Coordinator of the program from which the dismissal took place. Appeals are reviewed by a subcommittee of the Graduate Council whose decision is final. The Registrar will notify the student in writing of the appeal decision and will provide a copy of the communication to the Program Director/Coordinator. If the dismissal appeal is granted, the student will be eligible to continue for one semester on academic probation. If good academic standing is not achieved within one semester, the student will be academically dismissed from the College.

- 10.18.7.5 Readmission After Academic Dismissal. Students, who are dismissed for academic reasons, may not apply for readmission to Messiah College for at least two academic years from the date of the dismissal. During the two-year dismissal, students may not enroll in graduate level courses at Messiah College. In addition, students may not apply for admission to a different graduate level program at Messiah College during the two-year dismissal. When petitioning for readmission, the student must evidence fundamental change that will demonstrate a strong likelihood that he/she possesses the motivation and capacity to successfully complete the requirements of the chosen masters-level program. Readmission is neither automatic nor guaranteed. The Program Coordinator/Director will notify the student in writing about the school's decision for readmission. Students who are readmitted must comply with all of the terms set forth in the reinstatement letter.
- 10.18.7.6 Notice and Appeal of Outcome from Remediation and Development Plans [Approved 3/10/14, Graduate Council]. All remediation plans, development plans, or similar corrective measures, will be managed by the Program in which the student is enrolled. If a student, however takes issue with the outcome of the plan, he/she may appeal the decision of the Program within the time limit stated in the Program's final decision letter by filing a written petition with the Associate Provost for Graduate and Nontraditional Programs stating the reason for appeal. The student must also send a copy of his/her appeal to the Program Director/Coordinator of the program that provided the decision that is being appealed. Appeals are reviewed by the Graduate Council or an appointed subcommittee from within the Graduate Council. The Program Director/Coordinator who was part of the decision being appealed will recuse him/herself from deliberations of the appeal. The decision of the Graduate Council (or its appointed subcommittee) is final. The Associate Provost for Graduate and Nontraditional Programs will notify the student in writing of the appeal decision and will provide a copy of the communication to the Program Director/Coordinator.
- 10.18.7.7 Readmission After Remediation or Development Plan Dismissal [Approved 3/10/14, Graduate Council] Students, who are dismissed as an outcome of a remediation plan, development plan or similar corrective measure, may not apply for readmission to Messiah College for at least two academic years from the date of the dismissal. During the two-year dismissal, students may not enroll in graduate level courses at

Messiah College. In addition, students may not apply for admission to a different graduate level program at Messiah College during the two-year dismissal. When petitioning for readmission, the student must evidence fundamental change that will demonstrate a strong likelihood that he/she possesses the motivation and capacity to successfully complete the requirements of the chosen masters-level program. Readmission is neither automatic nor guaranteed. The Program Coordinator/Director will notify the student in writing about the College's decision for readmission. Students who are readmitted must comply with all of the terms set forth in the reinstatement letter.

10.19 TRANSFER CREDIT

10.19.1 Evaluation of Transfer Credits for Incoming Students

10.19.1.1 Policy for Transfer Students. Up to 20% credits may be accepted for transfer credit provided:

- a. The credits were taken at a regionally accredited college or university
- b. The credits are graduate level
- c. A minimum grade of B was earned in each course
- d. The credits were taken within the last seven years (see individual programs for exceptions)
- e. The credits are not among those that must be taken at Messiah College (see individual programs for restrictions).

10.19.1.2 Procedure

- a. When a student applies, he/she requests the former college to send an official transcript of work to the Registrar.
- b. The Registrar's Office will provide copies of the transcripts to the Program Coordinator/Director.
- c. The Program Coordinator/Director will notify the student and registrar how the credits will transfer. The registrar will update the student's record accordingly.
- d. Students currently enrolled who wish to take credits elsewhere must have the written approval of the Program Coordinator/Director.

10.19.1.3 This policy has been instituted to ensure that transfer students have done satisfactory graduate level work appropriate for transfer credit. It also provides students with a clear understanding of how much work is needed to complete degree requirements.

10.20 GRADING POLICY [Changes approved by COE Senate, 2/28/11]

10.20.1 **Grading System.** The grading system presently in use can be roughly divided into two major categories: letter grades and auxiliary symbols.

10.20.1.1 Letter Grades. Letter grades carry a quality point value and are used in the computation of semester and cumulative grade point averages (GPA).

10.20.1.2 Auxiliary Symbols. Auxiliary symbols do not carry a quality point value and are not used in the computation of semester and cumulative grade point averages (GPA).

P: This grade indicates satisfactory achievement of course requirements in courses offered on a pass/fail only basis. 0.0

W = Withdrawal. Given to any student who withdraws from a class on or after the first day of class and before the final third of the term.

I = Incomplete. Used only when a student cannot, for valid reasons, complete a course by the end of the session of enrollment.

AU = Audit. Used only when a student wishes to attend a course but not receive college credit or a grade for the work in the course.

10.20.2 **Grading Matrix**

Grade	Description of the Standard	Quality Point Value
A	This grade is given in recognition of outstanding achievement.	4.00
A-	This grade is given in recognition of excellent achievement.	3.70
B+	This grade is given in recognition of achievement above that expected at the graduate level.	3.30
B	This grade indicates achievement expected of graduate students.	3.00
B-	This grade indicates achievement somewhat less than expected of most graduate students.	2.70
C+	This grade indicates less than expected achievement but somewhat more than minimal meeting of course requirements.	2.30
C	This grade indicates below average achievement and a minimally satisfactory meeting of requirements. This is the lowest grade for which credit can be earned toward a graduate degree.	2.00
F	This grade reveals accomplishment inferior in quality and is unsatisfactory from the standpoint of course requirements.	0.00
P	This grade indicates satisfactory achievement of course requirements in courses offered on a pass/fail only basis.	0.00
I	An "I" signifying "incomplete" is a temporary grade given when a student is unable to complete the work for a course on time because of extraordinary circumstances. This temporary grade does not influence the student's grade point average; refer to "Incomplete Grades" for more information.	0.00

- 10.20.3 **Grade Point Average (GPA)**
- a. Semester GPA: The GPA for each semester is calculated from the graded courses attempted during that semester
 - b. Cumulative GPA: This is the grade point average for all graduate courses taken at Messiah College.
- 10.20.4 **Incomplete Grades** [Changes approved by COE Senate, 2/28/11]
- 10.20.4.1 A grade of incomplete may be assigned if a student is unable to complete the course work (for valid reasons), has completed at least two-thirds of the course, has a passing grade average and a well-defined plan to complete the remaining course work.
- 10.20.4.1.1 Requests for an Incomplete must be emailed to the course instructor before the last day of class.
- 10.20.4.1.2 The terms of agreement for completing the course must be forwarded to the Registrar’s Office no later than the published deadline for grade submission.
- 10.20.4.1.3 An Incomplete grade must be resolved by the agreed upon date with the instructor but no later than the last day of classes in the following semester.
- 10.20.4.2 Procedure
- a. The student presents a valid reason and requests his/her instructor to extend the time to complete the course. If the instructor agrees to assign the grade of incomplete, the instructor will forward the terms of the agreement for completing the course via email to the Registrar’s Office, copying the student and the student’s advisor.
 - b. The instructor will enter a grade of “I” in self-serve Banner. He/she will then be prompted for an explanation. Banner automatically sends an e-mail message of confirmation to the instructor and the Registrar’s Office for review.
 - c. When a student completes the course work, the instructor must contact the Registrar’s Office with the student’s correct final grade.
 - d. If a course is not completed within the extended timetable, the incomplete grade is converted to an F. Any exceptions to the following timetable must have the approval of the instructor and the Registrar.
- 10.20.4.3 This policy keeps grade records up to date, provides for student emergencies, and establishes a reasonable deadline to help students avoid doing two semesters’ work at the same time. It also discourages procrastination.
- 10.20.5 **Auditing**
- 10.20.5.1 Students who audit a course are required to meet the requirements set by the instructor. Those who do not meet the requirements will be graded W. (Note: Students should be alerted to the fact that courses taken as audit *cannot* be included for financial aid purposes. Faculty members should encourage those students to contact the Financial Aid Office.)
- 10.20.5.2 Procedure
- a. Declaration of the audit is done at the time of registration through the Registrar’s Office.
 - b. Students may change from credit to audit and vice versa during the drop/add

- period.
- c. The Business Office bills audit credits at the published tuition rate for audits.
 - d. When the course is complete, the student’s transcript indicates the symbol “AU” and the name of the course audit—no credit or grade is given.
 - e. If the student decides not to attend the course, he/she must drop the course prior to the first class in order for it to not appear on his/her record.
- 10.20.5.3 Accommodates degree program students who want to broaden their horizons into a field of interest or part-time students who wish to take a course purely for their own interest and do not need to work for graduate credit.
- 10.20.6 **Change of Grade** [Approved by Community of Educators Senate, 9/27/10]
- a. If, after final grades have been submitted to the Registrar’s Office, it is determined that an error in the computation or recording of the grade has occurred, the instructor should submit a corrected grade via the online request form. All changes of grades must include supporting rationale and must be received no later than the end of the semester following that in which the original grade was recorded.
 - b. A student’s final grade may not be raised by doing additional assignments after the course has concluded or by revising previously submitted assignments.
 - c. All grade changes require the approval of the Registrar.
- 10.20.7 **Grade Dispute Procedures.** If a student disputes a grade which has been given in a particular course, and it has been determined that the grade recorded was not in error, the student may initiate the grade dispute process. The initiation of a grade dispute must occur within two weeks from the date on which the final grade was reported to the Registrar’s Office.
- 10.20.7.1 Informal Discussion Between Student and Instructor. If the discussion results in a grade change, a grade change request form is submitted to the Registrar’s Office by the instructor. If the matter is not resolved to the student’s satisfaction, the student is referred to the Program Coordinator/Director.
- 10.20.7.2 Informal Discussion Between Student and Program Coordinator/Director. The student should informally discuss the matter with the Program Coordinator/Director within 10 days of the student’s referral to the Program Coordinator/Director. The Program Coordinator/Director should discuss the concern with the instructor within 10 days of the student’s discussion with the Program Coordinator/Director. If the discussions result in a grade change, a grade change request is submitted by the instructor. If the matter is not resolved to the student’s satisfaction, the student is informed that there is a formal appeal procedure.
- 10.20.7.3 Formal Discussion Between Student, Instructor, and Program Coordinator/Director. At the student’s written request to do so, the Program Coordinator/Director should arrange a meeting to discuss the matter with the student and instructor together. The request for this formal meeting must occur within 10 days of the notification to the student of the formal appeal notice. If this discussion results in a grade change, a grade change request form is submitted to the Registrar’s Office by the instructor. The student should be informed in writing of this decision. If the matter is not resolved to the student’s satisfaction, the student should be informed in writing of this decision, along with options available to the student.

- 10.20.7.4 Student Appeal in Writing to the School Dean. If the decision of the Program Coordinator/Director is not to the student's satisfaction, the student may appeal the decision to the School Dean. This appeal must be made in writing, within ten working days of the Program Coordinator/Director's letter to the student. The School Dean shall investigate carefully and render a decision in writing within 30 days, which shall be final.
- 10.20.7.5 Cases Involving the Program Coordinator/Director. In any case where the instructor is the Program Coordinator/Director, another member of the department will serve in the role of the Program Coordinator/Director in these proceedings.
- 10.20.7.6 Time line. A final decision must be rendered no later than 70 days after the date which the student initiates the dispute with the faculty member who assigned the grade.

10.21 TRANSCRIPTS

- 10.21.1 **Transcript Description.** The student's permanent record of courses taken and grades achieved comprise the academic transcript. Credits taken at all other colleges and universities are entered as transfer credits and are not computed in the student's GPA.
- 10.21.2 **Request for Transcript**
- 10.21.2.1 Academic transcripts are issued by the Registrar's Office upon a student's written request and must be accompanied by payment (contact Registrar's Office for fees or see www.messiah.edu/offices/registrar/transcript.html). The student's financial account with the College must be cleared before any transcripts are issued.
- 10.21.2.2 Procedure
- The student requests a transcript from the Registrar's Office, using the form provided, accompanied by the appropriate fees.
 - The Registrar verifies that the student's business account has been cleared, mails the transcript, and records the date the transcript was issued.
 - The student is notified if we are not sending the transcript due to an outstanding balance on the financial account.
- 10.21.2.3 Transcripts are issued only by the Registrar for reasons of confidentiality and security. The Business Office hold is necessary to provide the College a means of collecting overdue bills.

10.22 GRADUATION REQUIREMENTS AND COMMENCEMENT**10.22.1 Degree Candidacy**

10.22.1.1 Students working toward a graduate degree must file an on-line Application for Degree with the Registrar's Office at the beginning of their last full year in the Program Applications require the approval of the Graduate Council and the Community of Educators before students are formally admitted to degree candidacy.

10.22.1.2 These procedures are needed to identify the potential graduates and keep the Registrar's Office in contact with them prior to graduation.

10.22.2 Requirements for All Masters' Degrees

- a. A minimum of 30 hours of credit
- b. A minimum scholarship quotient (GPA) of 3.0 for all work listed as specific requirements for the major
- c. A total of 80% of the credits preceding the conferring of the degree must be earned at Messiah College.
- d. Completion of a major with requirements as specified under the department of instruction in which that program falls.

10.22.3 **Awarding Diplomas/Certificates.** Masters diplomas will be mailed to graduates upon completion of all of the requirements of their degree. Certificates earned as part of graduate studies will be mailed to students upon completion of all requirements of the certificate.

10.22.4 **Commencement:** Messiah College hosts a commencement ceremony in May for graduate students earning a degree in December, May or August of the academic year in which commencement is held. Graduate students indicate on their Application for Degree whether or not they will be attending the ceremony. Degree-seeking students who are within six credits of completing academic requirements for their degree are permitted to participate in the May commencement ceremony, so long as the coursework can be completed by August 31 following commencement. These students are required to be registered for the outstanding requirements in order to be eligible to participate in the ceremony. Students who earn a certificate of graduate studies or certificate of advanced graduate studies are not eligible to participate.

10.22.5 **Release of Diplomas.** In order for diplomas or certificates to be released, the following guidelines must be met:

- a. All course work, including approved transfer credit, must be completed and recorded on the student's Messiah College transcript.
- b. Students must satisfy all outstanding balances on the student account in the College's Business Office.
- c. The Registrar's Office will mail the diploma/certificate and a copy of the final transcript approximately 30 days after verification of the completion of all the requirements of the degree/certificate.

10.23 WITHDRAWAL FROM THE COLLEGE [Revisions approved by Graduate Council,

1/17/12]

- 10.23.1 **End-of-Semester Procedure.** Students who are not planning on continuing their graduate studies at Messiah College should communicate their desire to withdraw from the College by completing the Notification of Leave of Absence/Withdrawal. If a student does not complete this form and does not register for coursework for two consecutive semesters (fall, spring, summer), he/she will be withdrawn by the College at the end of the second semester unless the student is enrolled in the next semester.
- 10.23.2 **During Semester Procedure**
- 10.23.2.1 Students wishing to withdraw from the College before the end of a semester (fall, spring, summer) must notify the Registrar’s Office of their intention and arrange for payment of all monies owed the college.
- 10.23.2.2 Procedure
- a. The student wishing to withdraw contacts the Registrar’s Office to complete the proper form.
 - b. The Registrar’s Office informs the Business Office and Financial Aid Office of the withdrawal.
 - c. The Registrar informs other administrative offices, the Program Coordinator/Director, the student’s advisor, and the student’s professors and withdraws the student from classes.
 - d. The Business Office in conjunction with Financial Aid determines the student’s bill and sends the student a statement of balance due or refund.
- 10.23.2.3 This policy has been instituted to facilitate campus communications about a student’s withdrawal.
- 10.23.3 **Leave of Absence Policy.** A student who does not register for a course during a semester (fall, spring, or summer) but plans to take a course in the subsequent semester, will be considered on a leave of absence. Students should communicate their plans to the College by completing the Notification of Leave of Absence/Withdrawal form. Students are responsible for understanding the implications of a leave of absence on their financial aid. In addition, they must work directly with their academic advisor to register for the appropriate course work in subsequent semesters. If a student is on a leave of absence for two consecutive semesters (fall, spring, summer), he/she will be withdrawn from the College at the end of the second semester unless the student is enrolled in the next semester. (See end-of-the-semester policy.)
- 10.23.4 **Refunds** [Changes approved by Community of Educators Senate, 10/10/11]
- 10.23.4.1 Refunds for students who withdraw voluntarily or involuntarily are determined, with one exception*, according to the percentage of the semester/part of term completed when a student withdraws from a course. The following chart details the percentages of completion used to calculate the percentage of refunds and offers examples of the most common graduate course delivery models. If the delivery model of a graduate course is not listed below, the refund for such a **semester/part of term** will be calculated using the percentage of the course that is completed when a student

notifies the Registrar’s Office of the withdrawal.

* If a student withdraws from an intensive course by noon on the second day of the class, the student will be entitled to a 100% refund (provided the student’s other financial obligations to Messiah College have been met in full). If a student withdraws from an intensive course at any time after noon on the second day of class, the student will not be entitled to receive a refund.

Percent Refund	Percentage of Semester/Part of Term Completed	EXAMPLES		
		8 Week Course (Calendar Day)	12 Week Course (Calendar Day)	Semester Long Course (16-wk example) Calendar Day
100%	6.7 %	Day 1-4	Day 1-6	Day 1-8
75%	13.4%	Day 5-8	Day 7-12	Day 9-15
60%	20.0%	Day 9-11	Day 13-17	Day 16-22
50%	26.7%	Day 12-15	Day 18-22	Day 23-30
25%	33.3%	Day 16-19	Day 23-28	Day 31-37
0%	After 33.3%	After Day 19	After Day 28	After Day 37

10.23.4.2

Procedure

- a. A “drop” occurs prior to the start of the term in which a student is registered for the class. A “withdrawal” occurs once the term begins. All requests for drops or withdrawals must be emailed to the Registrar’s Office. The date of the email determines the refund date and amount. Notifying an instructor does not constitute an official request to drop or withdraw from a course.
- b. In addition to the percentage of tuition refund, a withdrawal from class results in the assessment of a fee. This fee will be added to the student’s account. Any approved exception to the withdrawal date may result in a late fee.
- c. Courses dropped on or after the first day of class and through the completion of two-thirds of the class will be indicated with a W (withdraw) on the student’s transcript. This withdrawal grade will not be calculated in the grade point average. After two-thirds of the course is completed, students are not permitted to withdraw from their course except in cases documented by his/her physician or employer.
- d. For any course that is one week in length or less the student has until the end of the first day to drop the course with a full refund. After the first day, the tuition is non-refundable except for the reasons of 1) illness documented by a physician or 2) employment reasons as documented by an employer, or 3) death of an immediate family member.
- e. Lab, music, private music lesson, art studio and all other course-related fees, as applicable, will not be refunded after completion of 6.7% of the semester.
- f. Dining Services fee refunds are pro-rated throughout the semester/term based on the length of the semester.
- g. Refunds and adjusted bills will be sent to the student’s home address following withdrawal.
- h. In accordance with federal regulations, when federal financial aid refunds are involved, the amounts are allocated in the following order: Unsubsidized Federal Direct Loans, Subsidized Federal Direct Loans, Federal Perkins Loans, Federal Direct PLUS Loans, Federal Pell Grants, other Title IV aid programs.

- i. The term “Title IV Funds” refers to the Federal financial aid programs authorized under the Higher Education Act of 1956 (as amended) and includes the following programs: unsubsidized FFEL loans, subsidized FFEL loans, unsubsidized Federal Direct Stafford Loans, subsidized Federal Direct Stafford Loans, Federal Perkins loans, FFEL PLUS loans, Federal Direct PLUS loans, Federal Pell Grants, Federal SEOG.
- j. Institutional and student responsibilities in regard to the return of the Title IV funds:
 - a) Messiah College’s responsibilities
 - 1) Providing each student with the information given in the policy
 - 2) Identifying students who are affected by the policy and completing the Return of Title IV Funds calculation for those student
 - 3) Returning any Title IV funds that are due the Title IV programs
 - b) Student’s responsibilities
 - 1) Returning to the Title IV programs any funds that were disbursed directly to the student and which the student was determined to be ineligible for via the Return of the Title IV Funds calculation
- k. Other financial aid will be refunded in proportion to and along the same schedule as tuition.

10.23.4.3 This policy has been instituted to establish an official withdraw date, provide a fair and equitable policy for determining refunds for withdrawing students, provide student counseling regarding withdraw implications, and provide a waiting period at no expense to the student.

10.23.5 **Grading Policy**

10.23.5.1 Students who complete registration for a given semester will have grades recorded on their permanent record. All courses will be graded with a “W” if the student withdraws from the College.
