SOUTHERN WESLEYAN UNIVERSITY QUESTIONNAIRE FOR PROSPECTIVE EMPLOYEES

The Wesleyan Church requires of all employees in her colleges and universities a belief in basic Biblical doctrines. Some of these are expressed in the following questions. A full statement of the doctrines of The Wesleyan Church will be distributed to each prospective employee. Some allowances for variations in belief and practice may be made, but support of these beliefs and practices is mandated for all official duties of the university.

Please answer each of the following questions by placing an X in the “yes” or “no” column.	YES	NO
1. Do you believe that the Scriptures of the Old and New Testament are of supreme and final authority for faith and practice?		
2. Do you believe that there is one God, eternally existing in three Persons: Father, Son, and Holy Spirit?		
3. Do you believe that God created man and the entire universe?		
4. Do you believe that man is fallen and sinful which necessitates the atonement of Christ?		
5. Do you believe in Jesus Christ as truly God and truly man and in His virgin birth, His teaching, His death for mankind, His bodily resurrection, and His promised second coming?		
6. Do you believe a penitent person may be forgiven and made a new person in Christ?		
7. Do you believe that the Christian may be filled with the Holy Spirit as a definite act of divine grace in the heart of the believer, cleansing, and empowering for service?		
8. Do you believe in the resurrection of the dead and the life everlasting?		
9. Have you accepted Christ as Lord of your life?		

The Wesleyan Church and Southern Wesleyan University believe that contemporary society needs positive Christian examples. We believe that regular attendance at services of public worship is necessary for spiritual growth and Christian witness. We believe that a Christian’s reputation in the community should be above reproach and that the following are important.

1. Careful management of financial obligations
2. Propriety in personal habits
3. Limitation of participating in civic and social activities to those that tend to uplift people
4. Responsible participating in governmental and political processes

We also believe that a Christian’s body is the residence of the Holy Spirit and therefore the body should be cared for by:

1. Giving regular care to physical needs
2. Being moderate in all legitimate activities
3. Abstaining from the use of tobacco, beverage alcohol and illegal drugs, and by discouraging their use by others
4. By dressing and grooming so as to be presentable and to please God
5. By avoiding indulgence in entertaining or recreational pursuits that are generally considered unwholesome

STATEMENT OF FAITH AND EDUCATIONAL MISSION

Founded in 1906, Southern Wesleyan University is a four-year, coeducational university of the liberal arts, sciences, and professions with more than 1,000 students, over 100 faculty and staff members, and over 8,000 alumni. She is dedicated to helping her students attain an integrated Christian personality and life which is characterized by wholeness. Thus, the administration, staff, and faculty maintain a personal interest in the spiritual, intellectual, and social growth of each student. The University is closely affiliated with The Wesleyan Church.

Southern Wesleyan University is thoroughly committed to evangelical Christian doctrine and standards of conduct. Accepting the fundamentals of the Christian faith, it stands unequivocally for:

1. The inspiration of the Old and New Testaments
2. The deity of the Christ
3. The need and efficacy of the atonement
4. The new birth as a divine work wrought in the repentant heart by the Holy Spirit
5. The need and glorious possibility of the born-again Christian being so cleansed from sin and filled with the love of God by the Holy Spirit that he can and should live a life of victory over sin, and
6. The personal return of the Lord Jesus Christ.

This way of life maintains that fellowship with God through Jesus Christ is the strongest impetus toward a person's self-fulfillment.

Southern Wesleyan University recognizes the value of diversity in the expression of the Christian faith. Faculty and staff members are expected to serve as models of developing Christian scholars. They accept the orthodox faith as expressed in The Apostles' Creed, give witness to salvation through Jesus Christ, evidence growth in Christ and a willingness to share Him with others, and associate regularly for worship, study, and fellowship with a group of Christian believers.

Socially, Southern Wesleyan University represents a community in which individual behavior is guided by the standards of personal health, moral integrity, social consequences, and the effectiveness of the Christian witness. For one or more of these reasons, the University does not permit students nor employees to use tobacco or alcoholic beverages, engage in illegal acts (such as those involving drugs or gambling), or participate in activities that disrupt the educational process of the University.

Applicants for employment who enthusiastically support the educational mission of Southern Wesleyan University are considered for available positions without regard to race, color, sex, national origin, handicap, or age.

As a religious educational institution operating under the auspices of The Wesleyan Church, Southern Wesleyan University is permitted and reserves the right to prefer employees on the basis of religion. (Title VII, Section 702-703, United States Civil Rights Act of 1964, as amended.)

I certify that I have reviewed the Questionnaire for Prospective Employees, Statement of Faith and Educational Mission and accept them as a condition of employment. (If application is sent electronically, signature will be obtained at interview.)
