# Your comprehensive coverage includes...

### Medical emergency evacuation and transportation

Includes arrangement and payment for transportation of the patient to the nearest medical facility able to treat the injury or illness. Once the patient can travel home, includes arrangement and payment for the trip.

#### Dependent child transportation

If a medical emergency leaves no covered parents available, includes arrangement and payment for a dependent child's trip home or arrangement and payment for a family member to travel to and care for the child.

#### Travel treatment monitoring

Includes care management when a traveler has a medical emergency; services are available until the traveler is released or sent to a hometown hospital. Services vary from case to case but can include: medical record requests and reviews to ensure treatment is appropriate; intermediary services; medical translation services for the patient and/or the family; and communication between the patient and family back home.
