<sup>1</sup>Paper volumes were intentionally reduced in FY22 due to extensive weeding through the collection.

<sup>2</sup>The figures for 2018-2021 included both journal titles that were full-text and indexed only titles. The FY22 figure includes full-text titles only, which are now tracked in the new library system Alma/Primo.

<sup>3</sup>The library's new discovery system "Primo" was implemented in FY22.
