## Guidelines for Mathematical Sciences Courses

Statistical literacy is important in this field, and STAT 269 is a course that gives a good introduction to statistical methods and meets the General Education requirement. All majors in the Social Work major must take STAT 269, which is usually taken in the second or third year. Students who have a weak background in Algebra should consider taking MATH 101 or MATH 102 in their first year in preparation for STAT 269.

### Students with Advanced Placement credit:

Requirements for courses in mathematical sciences can be met through Advanced Placement exam credit. Students who have taken AP exams in calculus, computer science, or statistics should go to the math department’s website ([www.messiah.edu/departments/mathsci/courses/ap\\_credit.html](http://www.messiah.edu/departments/mathsci/courses/ap_credit.html)) to find out how credit is awarded for your scores.

## 8 Semester Plan

### Social Work (B.S.W)

Course #	Course name	Credits	Course #	Course name	Credits
<b>First Year – Fall</b>			<b>First Year - Spring</b>		
SOWK 099	Professionalism in Social Work	1	SOWK 221	Human Behavior	3
