Auditions

Students wishing to major in Theatre, Musical Theatre, or Dance must complete an audition for acceptance into the program. Three days are scheduled annually for auditions, one in the fall and two in early spring. Students are encouraged to attend one of the scheduled audition days however, they may also schedule auditions at other times during the year if they are not able to attend on the scheduled audition days. For more information please contact the Chair of the Department of Theatre and Dance.

Enrichment Program

Enrichment credits are typically earned during the junior year. Our students have enriched their Messiah education through theatre training at various programs such as Gaiety School of Acting, Dublin; Goldsmiths, University of London; and a variety of internships with professional theatre companies.

Senior Capstone Project

During the junior year each student proposes a Senior Capstone Project. This portfolio project represents the culmination of the student's training and serves as a bridge to graduate programs, professional theatre or other job opportunities.

Guidelines for Mathematical Sciences Courses

There is no specific math course required for Theatre majors. We recommend students enroll in MATH 101, MATH 102, or CIS 171 in their first year, unless you have had a pre-calculus course; then you should take MATH 107 or MATH 108. Statistical literacy is another important area of mathematical study, and STAT 269 is a course that gives a good introduction to statistical methods and meets the QuEST requirement.

Students with Advanced Placement credit

Requirements for courses in mathematical sciences can be met through Advanced Placement exam credit. Students who have taken AP exams in calculus, computer science, or statistics should go to the math department's website (www.messiah.edu/departments/mathsci/courses/ap_credit.html) to find out how credit is awarded for your scores.

8-semester Plans

Dance (B.A.)

(Applies to students entering in 2019 The department has a 3-year rotation of courses)

Course #	Course name	Credits	Course #	Course name	Credits
First Year – Fall 2019			First Year – Spring 2020
