

Be an **Overnight Host**

for a future
College Honors Program student!

Prospective Honors students sometimes want to stay on campus overnight before or after their Scholarship Day interviews.

Overnight hosts pick up their student from Eisenhower at 6pm (if they're staying the night before) or from Old Main at 4pm (if they're staying the night after), and drop them off around 9am the next morning.

Prospective students receive meal passes for dinner and breakfast at Lottie (and we'll make sure you get them if you don't have a meal plan!), but it's pretty much up to the Overnight Host what you do together! Options include Coffeehouses and Powerhouse, baking cookies, game nights with friends, etc. The goal is really just for the student to get a glimpse at what life is like beyond the classroom.

If you're interested or have a friend who is, contact current CHP Overnight Coordinators/students [Jenn Myers](#) or [Amy DePretis](#) with any questions or concerns and they'd be happy to answer them. Email and volunteer today!
