Submit

Once you click submit, a copy of this form will be sent to the Honors Program and to your email.

If you chose an Honors Project or Department Honors Project, the next step will be finding a Faculty Sponsor for your project. They will walk you through the steps in creating the parameters for your project. Dr. LaGrand, director of the Honors Program, is also available to meet with to discuss ideas and options. You will need to register for the credits and fill out an application for your project with the Registrar's Office.
