Don't get left out...send in your fall public events

The office of public relations is again producing the highlights brochure to promote the public events occurring on campus during the fall semester. In an effort to bring more people to campus, we will mail the brochure to more than 4,000 homes in the community in early September. To ensure your public event is included, i.e. a concert, recital, play, lecture, conference, performance or any other event at which you would welcome the general public, please send the event, date, time, place, contact name, admission charge (if any), and phone number to Kim Christen kchriste@messiah.edu no later than Friday, July 20.

If your events are unable to be finalized by that date, please forward them to public relations as soon as they are confirmed. Although we will be unable to include them in the brochure, we will still be able to advertise them on our public events line as well as through news releases. These brochures have been very well received in the past and demand for them has been high, both on and off campus. If you would like to order a quantity for your own department's use, please call Kim Christen at ext. 7326. There will be a charge of \$12 per 100 brochures (12 cents per copy) to cover the additional printing costs.
