

## Choice Reviews Online

Academic books/media reviewed by college/university faculty. At Messiah, *Choice* cards are distributed to academic departments (and will continue to be).

### Online Version

Access via:

- Find Articles/Databases > A-Z list
- Find Articles/Databases > General & Multidisciplinary
- Information for Faculty: <http://www.cro2.org/>

### Search Tips

- Disable pop-up blocker on your browser. Use of print, e-mail, and download functions requires pop-ups.
- To **browse new reviews**, click on **Current Issue** (in the toolbar) and scroll down to the **Browse Reviews** section. Browse by major subject.
- **Keyword searching** (see left column): All variations of a search term will automatically be retrieved. E.g., “civil” will retrieve **civil**, **civilized**, and **civilization**; “**civil rights**” can focus the topic.
- In **Advanced Search**, you can search by LC classification number.

### Monthly Alerts / Tickler

- To receive monthly updates of new titles in your areas of interest, click on the **Register** link to create a profile and obtain a password (see right column). You can change your profile as often as you like.
- The monthly alert also serves as a tickler that the new issue of *Choice Reviews Online* as been released. At this time you can also opt to browse all reviews online.

### Save Search Strategies

- Create and save frequently-used search strategies in **Quick Search** or **Advanced Search** to run again in the future. Click on **Save Search** after running a search.
