

Locating Country Information

Locating Books

To locate the books that Murray Library owns or that the Epicenter owns, search the catalog in this way:

Do a **Keyword search** using some of the following words/phrases:

- social life customs [name of country]
- guidebooks [name of country]
- description travel [name of country]

Example: social life customs Spain [Do NOT add words between, such as "and."]

Locating DVDs/Videos in the Library

In the library catalog, change Quick Limit to Video/DVD. Do a **Keyword search** using some of the following words/phrases:

- social life customs [name of country]
- description travel [name of country]

Example: description travel Germany [Do NOT add words between, such as "and."]

Helpful Web Resources

[Country Information](#) (U.S. Dept. of State)

International Newspapers

[International Newspapers](#)

Find Journal Articles

Begin at the Library's [Databases by Subject](#) page (found under **Articles/Databases/Subjects** on the Library homepage) to find articles that focus on the aspect of the country that you are researching. Example: If you wish to explore schools in a specific country, select "Education" to search for articles in one of the education databases.

Murray Library – Messiah College – Grantham, PA 17027
