

### Prior Degree Verification

2010 – 2011

When you completed your Free Application for Federal Student Aid (FAFSA) for the 2010 - 2011 Award Year, you checked 'Yes' to the question, "Will you have your first bachelor's degree before July 1, 2010?" If this answer is correct, you would be ineligible for a number of different forms of financial aid. However, a review of our records indicates that your answer might be incorrect. In order to ensure that we can process your financial aid application correctly, please check the appropriate response below and return this letter to us immediately.

Thank you for your assistance.
