Covenant Grants in the amount of \$250 per semester are awarded to students who are members or regular attenders of Brethren in Christ congregations and other denominations or churches that participate in the Covenant Grant program. The church sponsoring the student's application must be the student's home church, in the area the student lived before coming to Messiah College, not a church the student has only attended while a student at Messiah College.

The Covenant Grant program is a program in which both your church and Messiah College cooperate in helping you attend Messiah College. Your pastor will need to sign the application, verifying that you meet your congregation's requirements for the Covenant Grant.
