

# NON-INSTITUTIONAL SCHOLARSHIP FORM

2009 - 2010

The purpose of this form is to collect information from you about any non-institutional/private scholarships you will be receiving. This means scholarships that are not from state, federal, or Messiah College sources. Examples include scholarships from your high school, church, private businesses, clubs, and even private individuals (not gifts from your parents, other family members, or friends). If we know about these scholarships early in the financial aid process, it will help us avoid the need to revise your financial aid award later in the year. This will be helpful to you, since it will give you a better idea of the final amounts of your financial aid (especially loans) earlier in the year.

**Federal regulations require all schools to include these scholarships as part of your Financial Aid package.**

Please read the instructions carefully.

**You need to complete this form if you expect to receive any non-institutional/private scholarships.**

Please return it to Messiah College, Financial Aid Office, Box 3006, Grantham, PA 17027, or FAX to (717) 796-4791 **as soon as possible.** You can also send the information by email to [finaid@messiah.edu](mailto:finaid@messiah.edu) as long as you include all of the information requested below.
