

TO: Fall 2008 Messiah College Philadelphia Campus Students

FROM: N. Ryan Wilson, Director of Community Life

RE: Housing Assignments and Roommate Requests

It is time for fall housing sign-ups for the Philadelphia Campus! Please fill out the Roommate Request Form and return it to the EpiCenter at main campus, or to N. Ryan Wilson at the Philadelphia Campus, by Thursday, March 13th at 1:00 pm (*MCPC Returners—return this form by Friday, March 28th*). We will do our best to comply with your requests if they are submitted on time. Requests received after this deadline may not be considered, so return your forms as early as possible to maximize the chances of getting the roommate(s) you request.

Some things to remember:

- If you want to live with someone, **ALL parties must submit forms indicating this preference.** A list of students who have applied to study at MCPC this fall can be found on the back of this letter.
- MCPC rooms are double, triple, or quadruple occupancy. **Occupancy is yourself plus your roommates.** If you request three roommates, you are requesting a quad; if you request two roommates, you are requesting a triple; if you only request one, you are requesting a double.
- All room sizes and roommate requests will be considered but are not guaranteed.
- The Philadelphia Campus does not provide single occupancy rooms except in exceptional academic and/or medical circumstances. You must be approved by the Office of Disability Services to be granted a single room.
- If you do not return a Roommate Request Form, or if you return it after the deadline, you will be placed wherever there is space available.
- **MCPC RETURNERS:** Please note any specific room number preferences under “additional information to consider in assigning rooms and roommates.” Also note if you prefer to stay in your same room. All of these requests will be given consideration but are not guaranteed.

If you have any questions or concerns, contact N. Ryan Wilson (ext. 7501 or NRWilson@messiah.edu). Thank you.

PHILADELPHIA CAMPUS
