

How to Prepare for Registration

There is **very limited time** to complete registration materials between the time that Temple University publishes its online course schedule and the registration request due date. The Philadelphia Campus Enrollment Office realizes that this short turn around period can often be hectic. This worksheet is provided to assist you in planning ahead for registration.

Planning General Education

Review the Messiah College catalog for general education courses you still need to complete.

- Make a list of general education requirements you still need or want to complete in Grantham
- Make a list of courses you need or want to complete while at MCPC. Options are available at www.messiah.edu/philly/academics/courses/

*You are required to take at least one 3-credit Messiah College Philadelphia Campus course. Check for courses that meet the course policy and your remaining gen eds.

Step One

Step Two

General Education Course Equivalents

Several Temple courses have been pre-approved by the Registrar's Office to meet your Gen Ed requirements. These courses are listed online at:

http://www.messiah.edu/philly/academics/general_education/

All other Gen Ed options must be approved by the Registrar.

Step Three

Major and Minor Course Equivalents

- Check out courses offered at the Philadelphia Campus
- Review course descriptions in Temple's undergraduate bulletin (www.temple.edu/bulletin) and make a list of courses you think might meet your requirements.
- Your advisor and department chair will ultimately determine if these courses will meet the requirement, but you can help your advisor with this preliminary search. Pay attention to the F, S and SS next to the course titles. F=Fall semesters, S=Spring semesters and SS=Summer sessions. The previous semester's course schedule is available at www.temple.edu/tucourses.

Step Four

Planning Major & Minor Requirements

Review the Messiah College catalog for major/minor requirements you still need to complete.

- Make a list of the requirements you need or want to complete in Grantham
- Make a list of other requirements you need or want complete while at Messiah's Philadelphia Campus
