## Literature

To explore  
unconsidered  
longings, characters,  
and ambiguities in  
narrative.

To look into a  
mirror at our  
own humanity  
and wonder,  
imagine,  
and question.

### Why Study Literature?

To find language to  
capture  
experience and its  
impact.

To expand our  
understanding of  
empathy for  
the human experience  
past,  
present, and future.

To interpret texts  
through  
conversation.
