

## **Messiah Athletic Training Alumni**

Below is a nearly exhaustive list of those that have graduated from with a major in Athletic Training. There are some blank spaces where we have lost touch with some graduates. If you want your alumnus information updated or can help us track down others, please [click here](#) to send updated information. Write 'AT Webpage' in the Subject line of the email.

If you are a perspective student, this list may help you to see the myriad of directions our graduates go after college. Some leave the profession, some leave it temporarily to raise a family, some enter athletic training jobs, while others go on to graduate school and then employment in athletic training related or other fields of study
