

Veterans' Benefits Reporting Form 2023 - 2024

The purpose of this form is to collect information from you about any Veterans' Benefits you will be receiving. **If we know about your anticipated benefits early in the financial aid process, it will help us avoid the need to revise your financial aid award later in the year.** This will be helpful to you, since it will give you a better idea of the final amounts of your financial aid earlier in the year.

If you are a veteran or the dependent of a veteran and plan to receive Veterans' Benefits to help pay your educational expenses, please review Messiah University's policy entitled [Military Benefits and Institutional Financial Aid](#) so that you will understand how your Veterans' Benefits will interact with Messiah University institutional financial aid programs.

Please complete this form and return it to Steve Gross, Messiah University, 1 University Avenue, Mechanicsburg, PA 17055 or fax to (717) 691-2315 **as soon as possible**. You can also send the information by email to sgross@messiah.edu as long as you include all of the information requested below.
