## Philosophy

To reason  
clearly  
and  
persuasively.

To  
articulate  
difficult  
ideas.

To ask  
insightful  
questions.

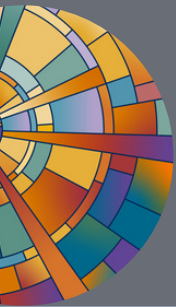

**Why  
Study  
Philosophy?**

To think  
systematically  
about  
matters that  
shape  
your life.

To see the  
big  
picture.
