

# QuEST

## Cross - Cultural Studies

Appreciate the values and contributions of other cultures.

Be more than just a tourist, by intentionally interacting with members of my host culture.

Learn to better understand my own culture by experiencing another

### **Why Should I Participate in a Cross - Cultural Course?**

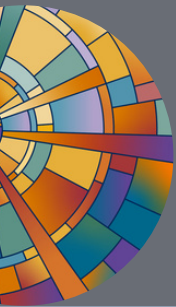

Adopt the mindset of a global citizen

Gain insights about beliefs and values of people from another culture by living among them.

Build confidence by navigating in cultural environments beyond my comfort zone
