Translations

Night

The wind blows soft across the silent field.
The moon shines perfect light.
Beyond the frightening darkness is the beauty of the night.
Stars, wondrous stars, let your light be my guide.
Eye of the moon, lend protection in the deep
Of night.

Twin Stars

Twin stars, aloft in ether clear,
Around each other roll away,
Within one common atmosphere
Of their own mutual light and day.
And myriad happy eyes are bent
Upon their changeless love away;
As, strengthened by their one intent,
They pour the flood of life and day.
So we through this world's waning night
May, hand in hand, pursue our way;
Shed round us order, love, and light,
And shine unto the perfect day.

Do Not Stand at my Grave and Weep

Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.

I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.

Kyrie Eleison

Kyrie eleison.
Christe eleison.
Miserere nobis

Agnus Dei, qui tollis
peccata mundi, miserere nobis.
Agnus Dei, qui tollis
peccata mundi, dona nobis pacem.

Lord, have mercy.
Christ, have mercy.
Have mercy on us.

Lamb of God, who takes away the
sins of the world, have mercy on us.
Lamb of God, who takes away the
sins of the world, grant us peace.

Locus Iste

Locus iste a Deo factus est,
inaestimabile sacramentum;
irreprehensibilis est.

This place was made by God,
a priceless sacrament;
it is without reproach.
