

## **Register to Vote**

Federal law requires Messiah College make voter registration forms available to every student. If you are not currently registered to vote, you will find voter registration forms available at [http://www.eac.gov/voter\\_resources/register\\_to\\_vote.aspx](http://www.eac.gov/voter_resources/register_to_vote.aspx) . More extensive voter registration information is available at [http://www.brennancenter.org/content/student\\_voting/](http://www.brennancenter.org/content/student_voting/) . This site contains information about state-specific restrictions and registration deadlines, so you should consult it immediately if you want to be registered to vote this fall.
