Christian Spiritual Formation
The College Ministries staff serve as the primary resource for fostering spiritual formation, supporting individuals and campus organizations as needed and bringing together partnerships to support students in their spiritual development via: Chapel, the Worship Community, Koinonia small group ministry, the Agape Center for Service and Learning, the Collaboratory for Strategic Partnerships and Applied Research and others — as well as connecting students with local churches.

Internships and Career Preparation at Messiah College
Ms. Christy Hanson, chanson@messiah.edu
Students today need to focus on professional preparation for an increasingly competitive and global marketplace. This session will discuss Messiah’s career development model and the internship program, including a variety of valuable opportunities available through them. Hear how the extended Messiah community, including parents and alumni, are supporting students in this important and formative process.

Teacher Education/Certification
So you want to be a teacher! Check-out our teacher education programs that lead to professional certification in the following grade levels:
- PreK-4 Teaching Certification (Dual Certification with Special Education K-8 also available)
- Grade 4-8 Teaching Certification
- Secondary (Grades 7-12): Biology, Chemistry, English, Social Studies and Mathematics
- Kindergarten-Grade 12: Art, Biology/Environmental, Elementary/Special Education, Family and Consumer Sciences, French, German, Health and Physical Education, Music and Spanish

NOTE: The Education Department Presentation is suggested for PreK-4 and Grade 4-8 majors ONLY. Students with interest in Secondary (7-12) or K-12 certification programs should attend the appropriate academic department presentation.

College Search 101
Designed for any student either beginning the college search or completely frustrated by the process! Get helpful, step-by-step tips from an admissions counselor and ask any questions about the application process.

The Transfer Experience
This session is specifically for students who are considering transferring to Messiah from another college or university.
A World of Opportunities . . . Global Engagement at Messiah
Learn about opportunities to study abroad, to participate in internships (both in the U.S. and internationally) as well as many domestic opportunities! The Intercultural (Office of Experiential Programs Information Center) houses catalogs, course listings, videos, and assorted travel-related literature to help students plan a life-changing adventure.

Opportunities for Service and Learning
The Agapé Center for Service and Learning develops and coordinates programs of service-learning, community service, and mission to provide holistic learning opportunities, and to encourage students toward an ethic of discipleship, service, and civic engagement.

Department of Politics and International Relations
Dr. Paul Rego, prego@messiah.edu

Pre-Health Professions Advising
Check out Messiah’s Office of Pre-Health Professions Advising and learn how we prepare prospective health care professionals to be competitive and successful. Recommended for students with interest in the following health professions: Pre-Medicine (Allopathic and Osteopathic), Chiropractic Medicine, Dentistry, Forensic Science, Occupational Therapy, Optometry, Pharmacy, Physical Therapy, Physician Assistant, Podiatric Medicine, Public Health and Veterinary Medicine.
NOTE: Not recommended for students with interest in Nursing or Nutrition and Dietetics . . . attend the appropriate department presentation

The Performing Arts
While it is a given for students majoring in arts related majors to participate, the richness of the arts community at Messiah is enhanced by talented students who audition and participate from majors outside the School of the Arts.

The Messiah College Athletics Experience
Competitive in all 22 team sports, Messiah’s success in the field of play is outstanding as measured in our conference – the Commonwealth Conference (Middle Atlantic Corporation) or nationally – NCAA post season tournament competition. Come hear more about our exceptional athletic teams.
