

Projected Salary of Graduates with a degree in Government/Political Science

	Starting Median Pay	Mid-Career Median Pay
Government	\$41,500	\$87,300
Political Science	\$40,100	\$81,700

The figures above are part of the 2010-2011 College Salary Report published by payscale.com. Additional degrees and salaries can be found [here](#).

* Please note: the Politics major at Messiah College would be compatible with Government and Political Science, as well as the competitiveness of many other majors.
